Peculiar Passions Or The Treasure Of Mermaid Island Red Hot Diva:

Novel Approaches to Lesbian History Linda Garber, 2022-01-01 Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible

Women's Historical Fiction Across the Globe Catherine Barbour, Karunika Kardak, 2025-03-03 This book explores contemporary women's historical fiction from global perspectives and expands substantially on existing studies by drawing on intersectional transnational and decolonial approaches to examine texts originating in different languages and engaging with diverse time periods contexts and cultural settings The chapters explore how the genre of women's historical fiction unearths women's historical experiences and adds to historical narratives in order to counter and challenge colonial heteropatriarchal official histories The collection addresses how women writers utilise the genre to reclaim personal and collective memory as well as write back into history marginalised oppressed and overlooked subjectivities especially those of racialised migrant disabled LGBTQIA and other minoritised communities Chapter 1 of this book is available open access under a CC BY 4.0 license at link.springer.com thanks to the generous support of Trinity College Dublin Trust
