Pena Cuadros Classic Reprint Spanish:

Catalogue of the Library Hispanic Society of America. Library, 1962 **Catalogue** Hispanic Society of America. Library, 1962 **Law, Literature and Political Philosophy in the Spanish Golden Age** Julio Juan Ruiz, 2020-01-07 This collection of articles thoroughly documented analyses particular aspects of the Spanish 16th and 17th centuries It discusses a range of topics including the Catholic reason of state anti Machiavellianism and royal power and its limits from the point of view of Golden Age authors This is a work where literature law theory and political philosophy combine their efforts to offer an unusual portrait of power in Spanish society during a time of deep change Staging Habla de Negros Nicholas R. Jones, 2019-05-01 In this volume Nicholas R Jones analyzes white appropriations of black African voices in Spanish theater from the 1500s through the 1700s when the performance of Africanized Castilian commonly referred to as habla de negros black speech was in vogue Focusing on Spanish Golden Age theater and performative poetry from authors such as Calder n de la Barca Lope de Rueda and Rodrigo de Reinosa Jones makes a strong case for revising the belief long held by literary critics and linguists that white appropriations and representations of habla de negros language are racist buffoonery or stereotype Instead Jones shows black characters who laugh sing and shout ultimately combating the violent desire of white supremacy By placing early modern Iberia in conversation with discourses on African diaspora studies Jones showcases how black Africans and their descendants who built communities in early modern Spain were rendered legible in performative literary texts Accessibly written and theoretically sophisticated Jones s groundbreaking study elucidates the ways that habla de negros animated black Africans agency empowered their resistance and highlighted their African cultural retentions This must read book on identity building performance and race will captivate audiences across disciplines **The Tonadilla in Performance** Elisabeth Le Guin, 2013-11-16 The tonadilla a type of satiric musical skit popular on the public stages of Madrid during the late Enlightenment has played a significant role in the history of music in Spain This book the first major study of the tonadilla in English examines the musical theatrical and social worlds that the tonadilla brought together and traces the lasting influence this genre has had on the historiography of Spanish music The tonadillas careful constructions of musical populism provide a window onto the tensions among Enlightenment modernity folkloric nationalism and the politics of representation their diverse engaging and cosmopolitan music is an invitation to reexamine tired old ideas of musical Spanishness Perhaps most radically of all their satirical stance urges us to embrace the labile paratextual nature of comic performance as central to the construction of history Author - Title Catalog University of California, Berkeley. Library, 1963 **Ribera** Jusepe de Ribera, Alfonso E. Pérez Sánchez, 1993 **Ribera, 1591-1652** José Ribera, 1993
