Pendragons Requite King Arthur Triumphant:

PenDRAGON's REQUITE Victor Brice, 2007-02 For nearly two thousand years the animosity between Sir Lancelot and King Arthur remains unsettled as they slumber restlessly in the dream dimension of the Morpheum where sleeping beings remain bound to the earth by people's dreams and wishful fantasies. When they reemerge in the twenty-first century King Arthur seeks justice for his betrayal while Sir Lancelot seeks vengeance for the persecution of Guinevere. Thus the Roundtable Knights of Camelot are divided into civil war set against the backdrop of Baltimore, Maryland. One by one the nobility of King Arthur's court awakens for the final judgment resulting from the love affair between the ordained protector of the Holy Grail, Sir Lancelot, and Her Royal Highness Queen Guinevere. But in the midst of this volatile situation comes a dire message of great urgency from Queen Vivian, sovereign of mystic Avalon, that will forever change the course of Arthurian history.

The Queens of Nightmares and Dreams Victor C. Brice, 2011-10-24 King Arthur's royal court and the Knights of the Round Table are established in the 21st Century. In an all too brief period of peace, Guinevere gives birth to her husband's son and daughter. The fallen princess of Cornwall, Morgana, the renegade Fey, summons from the Dark Ages the supreme leader of her dark witch's coven, the hellish she demon Rhapsody. Morgana's aim is to once again usurp Camelot's throne. But Rhapsody has her own secret plans for revenge against humanity and her personal nemesis, Vivian, the Lady of the Lake and queen of mystic Avalon. From the frigid depths of space, Rhapsody entices an evil race of aliens to attack planet Earth with their futuristic war machines, starting with Arthur's new kingdom.

Hard Rain Alessandro Portelli, 2022-05-17 Bob Dylan's iconic 1962 song "A Hard Rain's A Gonna Fall" stands at the crossroads of musical and literary traditions. A visionary warning of impending apocalypse, it sets symbolist imagery within a structure that recalls a centuries-old form. Written at the height of the 1960s folk music revival amid the ferment of political activism, the song strongly resembles and at the same time reimagines a traditional European ballad sung from Scotland to Italy, known in the English-speaking world as "Lord Randal." Alessandro Portelli explores the power and resonance of "A Hard Rain's A Gonna Fall," considering the meanings of history and memory in folk cultures and in Dylan's work. He examines how the ballad tradition to which "Lord Randal" belongs shaped Dylan's song and how Dylan drew on oral culture to depict the fears and crises of his own era. Portelli recasts the song as an encounter between Dylan's despairing vision, which questions the meaning and direction of history, and the message of resilience and hope for survival despite history's nightmares found in oral traditions. A wide-ranging work of oral history, "Hard Rain" weaves together interviews from places as varied as Italy, England, and India with Portelli's autobiographical reflections and critical analysis, speaking to the enduring appeal of Dylan's music. By exploring the motley traditions that shaped Dylan's work, this book casts the distinctiveness and depth of his songwriting in a new light.
