**Dictionary of Football** John Grasso, 2013-06-13 Gridiron football or American football or just plain football is the most popular sport in the United States in the 21st century. Although attempts have been made to develop the sport outside North America, it is still predominantly a North American sport with similar games but significant rules differences played in the United States and Canada. The Historical Dictionary of Football covers the history of American football through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on both amateur, collegiate, and professional players, coaches, teams, and executives from all eras. This book is an excellent access point for students, researchers, and anyone wanting to know more about the sport of football. **Speak from the Heart**

Steve Adubato, Theresa Foy DiGeronimo, 2002-04-17 In *Speak from the Heart*, Emmy Award-winning broadcaster, newspaper columnist, and motivational speaker Steve Adubato reveals the secrets to being a great communicator with a program that will dramatically change the way you talk, listen, and connect with others. Steve Adubato's life experiences, both professional and as a husband, son, brother, and father, have taught him invaluable lessons about the power of personal, sincere communication. In *Speak from the Heart*, he demonstrates that being a truly great communicator is not simply about being articulate or being a good talker. It is not about fancy visuals and PowerPoint presentations or hard-core sales pitches or even who has the most facts, figures, and technical wizardry. What really counts is making an authentic connection with other people that comes not merely from the intellect but from the heart. If you want to make a lasting impact, Dr. Adubato shows you how to engage people through empathy and understanding, how to be a great listener, and how to make an audience, whether one, one hundred, or one thousand people, care about you and your message. He helps you to rely less on written speeches, teleprompters, and index cards full of too much forgettable information and learn instead how to tell a compelling story and create excitement and enthusiasm. You will learn, for example, how to lecture less and engage more, communicate under pressure, make effective use of eye contact, develop a conversational style, inspire in a human, personal way, become comfortable with your core message. *Speak from the Heart* will not only make it easier for you to communicate your message without being ignored or misunderstood; it will also improve your relationships with other people and help you to become more productive at work with more satisfaction and less stress. Written by a man who has trained thousands of professionals in all walks of life, including corporate managers, lawyers, educators, health professionals, salespeople, and customer service reps, *Speak from the Heart* is for anyone who interacts with others at work, at home, in the community, or at social functions.

*The Trainer's Handbook* Karen Lawson, 2006-04-27 This thoroughly revised and updated second edition of *The Trainer's Handbook* presents a comprehensive, systematic approach to developing training skills and competencies. It reflects the current changes in the design, development, and delivery of training that will meet the needs of today's learner: distance learning and performance consulting. The book offers a fresh focus on evaluation, includes practical how-to guidance, and a wealth of illustrative real-life examples.
