## **Party Of One Stephen Harper And Canadas Radical Makeover:**

**Party of One** Michael Harris,2014-10-21 InParty of One investigative journalist Michael Harris closely examines the majority government of a prime minister essentially unchecked by the opposition and empowered by the general election victory of May 2011 Harris looks at Harper s policies instincts and the often breathtaking gap between his stated political principles and his practices Harris argues that Harper is more than a master of controlling information he is a profoundly anti democratic figure In the F 35 debacle the government s sin wasn t only keeping the facts from Canadians it was in inventing them Harper himself provided the key confabulations and they are irrefutably and unapologetically on the public record from the last election This is no longer a matter of partisan debate but a fact Canadians must interpret for what it may signify Harris illustrates how Harper has made war on every independent source of information in Canada since coming to power Party of Oneis about a man with a well defined and growing enemies list of those not wanted on the voyage union members scientists diplomats environmentalists First Nations peoples and journalists Against the backdrop of a Conservative commitment to transparency and accountability Harris exposes the ultra secrecy non compliance and dismissiveness of this prime minister And with the Conservative majority in Parliament the law is simple what one man the PM says goes **The ^AOxford Handbook of the Canadian Constitution** Peter Oliver,Patrick Macklem,Nathalie Des Rosiers,2017-08-10 The Oxford Handbook of the Canadian Constitution provides an ideal first stop for Canadians and non Canadians seeking a clear concise and authoritative account of Canadian constitutional law The Handbook is divided into six parts Constitutional History Institutions and Constitutional Change Aboriginal Peoples and the Canadian Constitution Federalism Rights and Freedoms and Constitutional Theory **The Blueprint** J.P. Lewis,Joanna Everitt,2017-01-01 In this collection J P Lewis and Joanna Everitt bring together a group of up and coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada covering the pre merger period 1993 2003 and both the minority and majority governments under Prime Minister Stephen Harper The contributors provide nuanced accounts about the experience of conservatives in Canada which reflect the contemporary evolution of Canadian politics in both policy and practice They challenge the assumption that Harper s government was built upon traditional toryism and reveal the extent to which the agenda of the CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more The Blueprint showcases the renewed vigour in political studies in Canada while revealing the contradictory story of the modern Conservative Party *Canada after Harper* Ed Finn,2015-08-13 Most Canadians know that Stephen Harper has had a tremendous impact on the country since becoming prime minister in 2006 But few have the in depth knowledge of how far his transformation has gone what has already been done and what the consequences will be in the future This book brings together Canadian experts in a wide variety of areas They document key changes put in place by the Harper government

There have been dramatic changes in education health care women's rights science and research guiding the economy labour unions water and natural resources and aboriginal affairs Most of these measures have been designed to be difficult if not impossible to reverse Readers will for the first time grasp the breadth and depth of the Harper attack on institutions policies and programs that embody values and principles shared by most Canadians Each chapter documents the dangers of a government fixated on the needs of corporations and the one percent blinded to our environmentally unsustainable lifestyle and expanding surveillance and security measures to intimidate and threaten opponents The contributors to this book believe that engagement in public affairs by the citizenry can trump the power of the elites and the giant corporations who are the winners of the Harper era As activists in public life they propose strategies and measures to create a Canada that champions fairness social justice real democracy in our government institutions action to reverse global warming and a constructive role in world affairs

*Stephen Harper* John Ibbitson, 2016-10-04 The authoritative biography of Stephen Harper to be published on the eve of the next election As one of the important prime ministers in the life of our nation Stephen Harper has reshaped Canada into a more conservative country a transformation that his opponents tacitly admit will never be reversed He has made government smaller justice tougher and provinces more independent whether they want to be or not Under its 22nd prime minister Canada shows the world a plainer harder face Those who praise Harper point to the Conservatives skillful economic management the impressive new trade agreements the tax cuts and the balanced budget the reformed immigration system the uncompromising defence of Israel and Ukraine and the fight against terrorism Critics pointing to punitive punishments muzzled scientists assaults on the judiciary and contempt for parliament accuse the Harper government of being autocratic secretive and cruel But what about the man In this definitive new biography the *Globe and Mail*'s John Ibbitson explores the life of the most important Canadian of our times his suburban youth the crisis that caused Stephen Harper to quit university for three years the forces that shaped his tempestuous relationship with Reform Leader Preston Manning how Laureen Harper influences her husband his devotion to his children and his cats Ibbitson explains how this shy closed introverted loner united a fractured conservative movement defeated a Liberal hegemony and set out to reshape the nation With unparalleled access to sources years of research and writing and a depth of insight that has made him one of the most respected voices in journalism John Ibbitson presents an intimate detailed portrait of a man who has remained an enigma to supporters and enemies alike Now that enigma is revealed in a masterful exploration of Stephen Harper the politician and the man

**Thinking Government** David Johnson, 2022-08-31 *Thinking Government* examines the key roles and duties of the Canadian federal government and its public service and the policy and program debates that revolve around these roles and duties The fifth edition of this textbook provides students with a core awareness of major issues shaping federal policies and programs socio economic policy options French English relations regionalism and regional policy Canadian American relations immigration environmental policy and Indigenous relations This book takes a close look at how

prime ministers and cabinet ministers interact and discusses issues in federal financial and human resources management ethics and accountability and leadership The new edition is revised and updated throughout and addresses the 2021 federal election and the resulting Trudeau minority government as well as the federal response to the COVID 19 pandemic Thinking Government helps its readers to be smart citizens and knowledgeable critics of what governments do well what they could be doing better and why they at times fail to deliver effective policies and programs

### **Prime Ministerial Power in Canada**

Patrice Dutil, 2017-06-09 Many Canadians lament that prime ministerial power has become too concentrated since the 1970s This book contradicts this view by demonstrating how prime ministerial power was centralized from the very beginning of Confederation and that the first three important prime ministers Macdonald Laurier and Borden channelled that centralizing impulse to adapt to the circumstances they faced Using a variety of innovative approaches Patrice Dutil focuses on the managerial philosophies of each of the prime ministers as well as their rapport with senior public servants resistance to genuine public sector reform and use of orders in council to further their aims He then compares their managerial habits during times of crisis to those during ordinary times This is the first book to examine the administrative habits of these three prime ministers In it Dutil offers revealing insights into the evolution of prime ministerial power He also shows how this centralizing grip of these early first ministers inevitably shaped the administrations they headed as well as those that followed

**The Harper Factor** Jennifer Ditchburn, Graham Fox, 2016-10-19 Political legacy is a concept that is often tossed around casually hastily defined by commentators long before a prime minister leaves office In the case of the polarizing Stephen Harper clear eyed analysis of his tenure is hard to come by The Harper Factor offers a refreshingly balanced look at the Conservative decade under his leadership What impact did Harper have on the nation s finances on law and order and on immigration Did he accomplish what he promised to do in areas such as energy and intergovernmental affairs How did he change the conduct of politics the workings of the media and Parliament A diverse group of contributors including veteran economists David Dodge and Richard Dion immigration advocate Senator Ratna Omidvar Stephen Harper s former policy director Paul Wilson award winning journalists such as Susan Delacourt and vice provost of Aboriginal Initiatives at Lakehead University Cynthia Wesley Esquimaux make reasoned cases for how Harper succeeded and how he fell short in different policy domains between 2006 and 2015 Stephen Harper s record is decidedly more nuanced than both his admirers and detractors will concede The Harper Factor provides an authoritative reference for Canadians on the twenty second prime minister s imprint on public policy while in office and his political legacy for generations to come

### **Absent Mandate**

Harold D. Clarke, Jane Jenson, Lawrence LeDuc, Jon H. Pammatt, 2019-09 Absent Mandate develops the crucial concept of policy mandates distinguished from other interpretations of election outcomes and addresses the disconnect between election issues and government actions Emphasizing Canadian federal elections between 1993 and 2015 the book examines the Chretien Martin Harper and Trudeau governments and the campaigns that brought them to power Using data from the

Canadian Election Studies and other major surveys Absent Mandate documents the longstanding volatility in Canadian voting behaviour This volatility reflects the flexibility of voters partisan attachments the salience of party leader images and campaigns dominated by discussion of broad national problems and leaders rather than by coherent sets of policy proposals The failure of elections to provide genuine policy mandates stimulates public discontent with the political process and widens the gap between the promise and the performance of Canadian democracy **Why Dissent Matters** William

Kaplan,2017-06-01 Frances Kelsey was a quiet Canadian doctor and scientist who stood up to a huge pharmaceutical company wanting to market a new drug thalidomide and prevented an American tragedy The nature writer Rachel Carson identified an emerging environmental disaster and pulled the fire alarm Public protests individual dissenters judges and juries can change the world and they do A wide ranging and provocative work on controversial subjects Why Dissent Matters tells a story of dissent and dissenters people who have been attacked bullied ostracized jailed and sometimes when it is all over celebrated William Kaplan shows that dissent is noisy messy inconvenient and almost always time consuming but that suppressing it is usually a mistake it s bad for the dissenter but worse for the rest of us Drawing attention to the voices behind international protests such as Occupy Wall Street and Boycott Divest and Sanction he contends that we don t have to do what dissenters want but we should listen to what they say Our problems are not going away There will always be abuses of power to confront wrongs to right and new opportunities for dissenting voices to say Stop listen to me Why Dissent Matters may well lead to a different and more just future **The Age of Consequence** Charles J. McMillan,2022-04-07

Since the election of Pierre Trudeau in 1968 Canada has had nine prime ministers a series of minority governments as many as sixteen leaders of the opposition and a turnover of party leaders in provincial governments This rotation shows the vibrant nature of the Canadian political system which combines a measure of continuity and stability with change and policy innovation The Age of Consequence provides an insider s account of Canada s political environment over the last fifty years Focusing on the key personalities leaders and political parties of the era Charles McMillan reveals the reality of policy change in a world in flux bound by institutional constraints and propelled by personalities that advance or derail policy initiatives Choosing four policy themes economic competitiveness social justice national reconciliation and constructive internationalism the book traces Canada s policy evolution As a federation Canada s political system is shaped by policy initiatives leadership campaigns national elections the planning and machinery of governance and the strengths of its various leaders from John Diefenbaker and Lester B Pearson to Justin Trudeau Based on McMillan s personal experience as senior policy advisor to Prime Minister Brian Mulroney as well as on interviews policy papers and memos The Age of Consequence sheds light on how public policy is made the conflicts facing senior members of the government and the unique burdens placed on prime ministers **Gender and Rights** G. N. Devy,Geoffrey V. Davis,2020-09-16 Part of the series Key Concepts

in Indigenous Studies this book focuses on the concepts that recur in any discussion of nature culture and society among the

indigenous This book the second in a five volume series deals with the two key concepts of gender and rights of indigenous peoples from all continents of the world With contributions from renowned scholars activists and experts across the globe it looks at issues of indigenous human rights gender justice repression resistance resurgence and government policies in Canada Latin America North America Australia India Brazil Southeast Asia and Africa Bringing together academic insights and experiences from the ground this unique book with its wide coverage will serve as a comprehensive guide for students teachers and scholars of indigenous studies It will be essential reading for those in gender studies human rights and law social and cultural anthropology tribal studies sociology and social exclusion studies religion and theology cultural studies literary and postcolonial studies Third World and Global South studies as well as activists working with Indigenous communities

**Global Responses to Domestic Violence** Eve S. Buzawa, Carl G. Buzawa, 2017-06-19 This volume addresses the varied response to domestic violence in a comparative international context The chapters are laid out in a consistent format to cover the nature of the domestic violence problem theoretical explanations the criminal justice response as well as health care and social service interventions in each country The intent of the book is to provide an introduction to the attitudes and responses to domestic violence in various regions to provide meaningful comparisons and share information on best practices for different populations and regions There are considerable variations to domestic violence approaches across cultures and regions In some places it is considered a private or family matter which can help it perpetuate At the same time the United States approach to domestic violence has been criticized by some as being too focused on the criminal justice system rather than other types of interventions which aim to keep families intact This comprehensive work aims to highlight innovative approaches from several regions important cultural sensitivities and concerns and provide analysis to identify the strengths and weakness of various approaches This work will be of interest to researchers in criminology and criminal justice as well as related fields who deal with domestic violence and violence against women including sociology and social work and international justice Practitioners and policymakers will also find it informative

**Rivals for Power: Ottawa and the Provinces** Ed Whitcomb, 2017-05-01 Rivals for Power Ottawa and the Provinces tells the story of the politicians who continually contend over the division of power and money between Ottawa and the provinces The heroes and villains of this story include many of the leading lights of Canadian history from John A Macdonald Wilfred Laurier and Maurice Duplessis to Pierre Trudeau Joe Clark Bill Davis Peter Lougheed and Jean Chretien The unique feature of this book is its focus no matter what their policies Canadian politicians over the years have engaged in an ongoing push and pull over power with both successes and failures As Whitcomb sees it the success of the provinces at preventing Ottawa from becoming the overwhelming power in Canadian life has been the key to the country's stability and its cultural cohesion But the failure of the provinces to achieve an equal measure of power and the growing gap between the have and have not provinces stands as an ongoing challenge and threat to the country's unity

**Permanent Campaigning in Canada** Alex

Marland,Thierry Giasson,Anna Lennox Esselment,2017-06-28 Election campaigning never stops That is the new reality of politics and government in Canada where everyone from staffers in the Prime Minister s Office to backbench MPs practise political marketing and communication as though each day were a battle to win the news cycle Permanent Campaigning in Canada examines the growth and democratic implications of political parties relentless search for votes and popularity and what constant electioneering means for governance With the emergence of fixed date elections and digital media each day is a battle to win mini contests the news cycle public opinion polls quarterly fundraising results by elections and more The contributors case studies reveal how political actors are using all available tools at their disposal to secure electoral advantage This is the first study of a phenomenon including the use of public resources for partisan gain that has become embedded in Canadian politics and government

**Brand Command** Alex Marland,2016-03-15 The pursuit of political power is strategic as never before Ministers MPs and candidates parrot the same catchphrases The public service has become politicized And decision making is increasingly centralized in the Prime Minister s Office What is happening to our democracy In this persuasive book Alex argues that political parties and government are beholden to the same marketing principles used by the world s largest corporations Called branding the strategy demands repetition of spoken written and visual messages predetermined by the leader s inner circle Marland warns that public sector branding is an unstoppable force that will persist no matter who is in power It also creates serious problems for parliamentary democracy that must be confronted This book will fascinate anyone who is interested in how Ottawa works and where Canadian politics is headed

**Religion and the Exercise of Public Authority** Benjamin L Berger,Richard Moon,2016-06-16 In the burgeoning literature on law and religion scholarly attention has tended to focus on broad questions concerning the scope of religious freedom the nature of toleration and the meaning of secularism An under examined issue is how religion figures in the decisions actions and experiences of those charged with performing public duties This point of contact between religion and public authority has generated a range of legal and political controversies around issues such as the wearing of religious symbols by public officials prayer at municipal government meetings religious education and conscientious objection by public servants Authored by scholars from a variety of disciplines the chapters in this volume provide insight into these and other issues Yet the volume also provides an entry point into a deeper examination of the concepts that are often used to organise and manage religious diversity notably state neutrality By examining the exercise of public authority by individuals who are religiously committed or who in the discharge of their public responsibilities must account for those who are this volume exposes the assumptions about legal and political life that underlie the concept of state neutrality and reveals its limits as a governing ideal

**The Oil Has Not Run Dry** Gregory Baum,2017-01-01 Born to a Jewish mother and Protestant father in 1923 Berlin Gregory Baum devoted his career to a humanistic approach to Catholicism In The Oil Has Not Run Dry Baum shares recollections about his lifelong commitment to theology his atypical views and his evolving understanding of the

Catholic Church's message Baum reflects on his groundbreaking work with the Second Vatican Council 1962-65 and how it helped to open the Church to a new understanding of outsiders one that advocated cooperation with world religions in support of peace and justice and respected secular philosophies committed to truth and social solidarity Later embracing Latin American liberation theology he became a leading thinker of the Catholic Left in Canada adopting radical positions that initially earned support from Canadian bishops in the 1970s Diverging from official Catholic doctrines regarding women and sexual ethics Baum eventually left the priesthood but continued to teach theology and remained active in the Church *The Oil Has Not Run Dry* also discusses the contrast between Catholicism in Quebec and English speaking North America and the ways in which Baum sees Quebec's culture as more marked by social solidarity This significant difference has inspired his own writings which present the original development of Catholic thought in Quebec to an English speaking readership

*Ripper* Mark Bourrie, 2025-03-18 As Canada heads towards a pivotal election bestselling author Mark Bourrie charts the rise of Opposition leader Pierre Poilievre and considers the history and potential cost of the politics of division Six weeks into the Covid pandemic New York Times columnist David Brooks identified two types of Western politicians rippers and weavers Rippers whether on the right or the left see politics as war They don't care about the destruction that's caused as they fight for power Weavers are their opposite people who try to fix things who want to bring people together and try to build consensus At the beginning of the pandemic weavers seemed to be winning Five years later as Canada heads towards a pivotal election that's no longer the case Across the border a ripper is remaking the American government And for the first time in its history Canada has its own ripper poised to assume power Pierre Poilievre has enjoyed most of the advantages of the mainstream Canadian middle class Yet he's long been the angriest man on the political stage In *Ripper: The Making of Pierre Poilievre* bestselling author Mark Bourrie winner of the Charles Taylor Prize charts Poilievre's rise through the political system from teenage volunteer to outspoken Opposition leader known for cutting soundbites and theatrics Bourrie shows how we arrived at this divisive moment in our history one in which rippers are poised to capitalize on conflict He shows how Poilievre and this new style of politics have gained so much ground and warns of what it will cost us if they succeed

**The Governor General's Literary Awards of Canada** Andrew David Irvine, 2018-11-27 The definitive bibliography of Canada's Governor General's Literary Awards Alice Munro Michael Ondaatje Margaret Atwood Antonine Maillet Carol Shields Marie Claire Blais Gilles Vigneault For over three quarters of a century the Governor General's Literary Awards have been instrumental in recognizing many of Canada's best authors illustrators and translators The result is impressive between 1936 and 2017 705 titles have been recognized with this prestigious award With careful attention to detail Andrew Irvine presents the history and evolution of the Awards and extols their importance for the careers of authors illustrators and translators as well as for the development of Canada's national literature The heart of the book contains the first comprehensive bibliography of the awards including the first list of winning books organized according to their
