cards through trades with fellow enthusiasts or winning cards through arcane competitions when the application of Facebook allowed him to accumulate cards more easily Several years later on an airplane flight from Montreal to New York City Mark glimpses a television show being shown on a computer laptop belonging to a woman sitting in a seat across the aisle of that flight Mark thinks and then becomes convinced that one of the actresses playing a woman in that show is in fact his first girlfriend That realization results in a search for the identity of that woman through a variety of methods and sources an effort that culminates in a rendezvous with his memory
