Evangelical Sunday School Lesson Commentary 2013-2014 Lance Colkmire,2012-01-05 **Conservation Education and Outreach Techniques** Susan Kay Jacobson,Mallory D. McDuff,Martha C. Monroe,2015 The conservation of biological diversity depends on people s knowledge and actions This book presents the theory and practice for creating effective education and outreach programmes for conservation The authors describe an exciting array of techniques for enhancing school resources marketing environmental messages using social media developing partnerships for conservation and designing on site programmes for parks and community centres Vivid case studies from around the world illustrate techniques and describe planning implementation and evaluation procedures enabling readers to implement their own new ideas effectively Conservation Education and Outreach Techniques now in its second edition and updated throughout includes twelve chapters illustrated with numerous photographs showing education and outreach programmes in action each incorporating an extensive bibliography Helpful text boxes provide practical tips guidelines and recommendations for further exploration of the chapter topics This book will be particularly relevant to conservation scientists resource managers environmental educators students and citizen activists It will also serve as a handy reference and a comprehensive text for a variety of natural resource and environmental professionals Adios, America Ann Coulter,2015-06-01 A National Bestseller Ann Coulter is back more fearless than ever In Adios America she touches the third rail in American politics attacking the immigration issue head on and flying in the face of La Raza the Democrats a media determined to cover up immigrants crimes churches that get paid by the government for their charity and greedy Republican businessmen and campaign consultants all of whom are profiting handsomely from mass immigration that s tearing the country apart Applying her trademark biting humor to the disaster that is U S immigration policy Coulter proves that immigration is the most important issue facing America today **The Oxford Handbook of the Corporation** Thomas Clarke,Justin O'Brien,Charles O'Kelley,2019-02-21 The Oxford Handbook of the Corporation assesses the contemporary relevance purpose and performance of the corporation The corporation is one of the most significant if contested innovations in human history and the direction and effectiveness of corporate law corporate governance and corporate performance are being challenged as never before Continuously evolving the corporation as the primary instrument for wealth generation in contemporary economies demands frequent assessment and reinterpretation The focus of this work is the transformative impact of innovation and change upon corporate structure purpose and operation Corporate innovation is at the heart of the value creation process in increasingly internationalized and competitive market economies and corporations today are embedded in a world of complex global supply chains and rising state and state directed capitalism In questioning the fundamental purpose and performance of the corporation this Handbook continues a tradition commenced by Berle and Means and contributed to by generations of business scholars What is the corporation and what is it becoming How do we define its

form and purpose and how are these changing To whom is the corporation responsible and who should judge the ultimate performance of corporations By investigating the origins development strategies and theories of corporations this volume addresses such questions to provide a richer theoretical account of the corporation and its contested future

Ancient and Indigenous Wisdom Traditions in the Americas Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures histories and wisdom traditions With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures it includes unique contributions from scholars studying these questions in various contexts The book offers a range of important studies from various contexts across the Americas including Canada the various member nations of the Caribbean Community CARICOM Puerto Rico and the United States The various chapter contributions address and discuss nuances of each of the contexts under study The contributions also help highlight some key commonalities across these contexts including how dominant discourses and various forces have historically shaped and continue to shape and reproduce such omissions misrepresentations and marginalization In addition to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures the book charts a path forward toward more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond It will appeal to scholars researchers undergraduate and graduate students with interests in Indigenous education curriculum studies citizenship education history of education religion and educational policy
