Gordon, 2023-08-22 After the nineteenth century turn from idealism when idealist philosophies were largely abandoned for materialist ones many analytic philosophers have adhered to scientific naturalism as the new orthodoxy largely due to the success of scientific advancements The New Atheists such as Daniel Dennett and Richard Dawkins claim it is Darwin who deserves much of the credit for repudiating the traditional Mind first world view In *The Implications of Evolution for Metaphysics* Theism Idealism and Naturalism David H Gordon explores questions such as Is it true that evolution is incompatible with theism and necessarily results in naturalism Is it possible as naturalism maintains that everything can be reduced to physical processes Or are there too many recalcitrant phenomena that defy reduction Can the epistemological conditions for metaphysical knowledge be met If the underdetermination of theory allows for multiple metaphysical theories to cover the same phenomena with each offering an epistemically adequate explanation then neither naturalism nor theism can be asserted to be objectively true Nevertheless it is possible to favor one over the other based on overall coherence and explanatory power **Imagination in Inquiry** A. Pablo Iannone, 2022-09-08

Imagination in Inquiry A Philosophical Model and Its Applications investigates the nature kinds component elements functions scope and uses of the imagination involved in inquiry It further discusses how these kinds and functions vary and interact depending on the context of inquiries carried out in philosophy and its branches from the philosophy of science and the philosophy of technology to ethics sociopolitical philosophy and aesthetics and institutions like science technology art and education Using a homeostatic model A Pablo Iannone advances a conception of the imagination as a disposition to search for answers to various types of problems abstract or concrete theoretical or practical faced in inquiry The book treats this as a working characterization though it develops progressively clearer more precise and less ambiguous meanings All along the primary concern of the author as well as of contributors Alejandra Iannone and Rocci Luppichini is with the moral aesthetic logical communicative scientific technological artistic literary and philosophical uses and roles of the imagination The book's primary focus is not just on such things as the capacity to generate mental images but especially on the ability to discover and create anticipate and envision entertain and manage **AS Critical Thinking for AQA** Oliver McAdoo, 2014-01-14

AS Critical Thinking for AQA is the definitive textbook for students of the current AQA Advanced Subsidiary Level syllabus Structured very closely around the AQA specification it covers the two units of the AS level in an exceptionally clear and student friendly style The chapters are helpfully subdivided into short digestible passages and include intended learning objectives at the beginning of each chapter student exercises at the end of each section with a stretching activity for more advanced learners exam orientated questions

key point summaries at the end of each section cross references In line with the AQA specification there is a heavy emphasis on more imaginative forms of source material for example music film artwork historical documents adverts moral dilemmas and scientific debates as a means of illustrating key points A great deal of emphasis is also placed on live or real arguments taking topical examples from the world of science politics entertainment and sport The book is accompanied by a companion website with extensive resources for both instructors and students **The Justice of War** Richard Hall,2019-11-06 The Justice of War Its Foundations in Ethics and Natural Law puts normative ethical theory at the forefront in its discussion of the justice of war Situating the modern theory of just war in its historical context Richard A S Hall gives full attention to natural law a mainstay of just war theory Hall considers the American philosopher Josiah Royce s implicit theory of just war with its suggestion of a fourth component of just war theory in addition to jus ad bellum jus in bello and jus post bellum namely jus ad pacem justice law for or about peace concerning the prevention of war and the maintenance of peace This book addresses and answers affirmatively the following questions raised by just war theory Can just war theory be rationally defended against its realpolitik critics Can there be such a thing as a just or moral war The book aims at showing the doubters and critics that just war theory is a viable alternative to both the political realism of realpolitik and pacifism In brief war can be morally justified though under very restrictive conditions **Appeal to Expert Opinion** Douglas Walton,2010-11-01
