Iowa life is both the planter and the uprooter of dreams As love long delayed springs to life in the heart of a young Swedish immigrant one man struggles with his withered ambitions and new blessings that could take their place if he would but allow them room Cover **Blue Ribbon Afghans from America's State Fairs** Valerie Van Arsdale Shrader,2005 Each of the 40 extraordinary hand crocheted afghans displayed here in magnificent photos is a blue ribbon winner and you can recreate these wonderful items at home thanks to the patterns detail shots and instructions provided in Blue Ribbon Afghans from America s State Fairs Scattered throughout the text are fun facts about the fairs along with new and vintage photos **Love and the Novel** G. Paizis,1998-09-07 The popularity of romance fiction is such that it constitutes nearly one quarter of new paperback fiction printed in the world Its success depends on its ability to reflect and articulate the reader s aspirations for a better life and stands at the same time as a testament to her alienation This fresh look at the romantic fiction seeks to discover the reason for its appeal by combining analysis of the poetics of the genre with a study of the real reader s intervention **Knitting America** Susan M. Strawn,2011-05-13 Enhanced with more than three hundred images a comprehensive history of knitting in America includes twenty historical knitting patterns **Love in America** Francesca M. Cancian,1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other Love in America compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian s argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well s appeal to a wide general audience **The Romance of the Patchwork Quilt in America in Three Parts - History and Quilt Patches - Quilts, Antique and Modern - Quilting and Quilting Designs** Various,2013-04-16 This vintage book contains a complete handbook on quilting in three parts History and Quilt Patches Quilts Antique and Modern and Quilting and Quilting Designs
