*Paul, His Letters, and Acts* () Thomas E. Phillips, 2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul s life and relationships in the Book of Acts and we also find an additional set of details about Paul s activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul *Paul and the Anatomy of Apostolic Authority* John Howard Schütz, 1975-05-22 *Paul and the Anatomy of Apostolic Authority* John Howard Schütz, 2007-01-01 John Howard Schutz s milestone analysis of Paul s authority shaped a generation of thought about Paul This insightful work continues to be relevant to Pauline scholarship The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text

**The Bible in Church, Academy, and Culture** Alan P.F. Sell, 2011-03-24 This collection of essays celebrates the contribution of John Tudno Williams to the church to biblical scholarship and teaching and to the culture of Wales Written by biblical scholars historians theologians and authorities on Welsh culture the papers gather around the central theme of the Bible its interpretation and exegesis and its place in hymns as well as in the visual culture of Welsh Presbyterianism in theological colleges and in theological reflection and construction **Galatians (Baker Exegetical Commentary on the New Testament)** Douglas J. Moo, 2013-11-15 In this addition to the award winning BECNT series highly regarded New Testament scholar Douglas Moo offers a substantive yet accessible commentary on Galatians With extensive research and thoughtful chapter by chapter exegesis Moo leads readers through all aspects of the book of Galatians sociological historical and theological to help them better understand its meaning and relevance As with all BECNT volumes this commentary features the author s detailed interaction with the Greek text and an acclaimed user friendly design It admirably achieves the dual aims of the series academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers Portrait of an Apostle Gregory S. MaGee, 2013-09-24 In *Portrait of an Apostle* Greg MaGee explores the claim that Colossians and Ephesians are works of forgery that use Paul s authoritative status to gain a hearing This hypothesis is so often restated in recent scholarship that it is arguably the default position in the field even though the theory is relatively untested MaGee argues that such a view does not stand up to close scrutiny Unsuccessful

attempts to imitate Paul usually flounder in their portrayals of Paul as is evident with the pseudepigraphal Epistle to the Laodiceans and 3 Corinthians Such is not the case with Colossians and Ephesians This book attempts to demonstrate that interpretations based on the assumption of Paul s authorship of Colossians and Ephesians are consistently superior to interpretations positing that an admirer of Paul wrote the letters      *Domination or Empowerment?* Esther G. Cen,2023-09-12 This book argues that Paul as God s accountable steward seeks not to dominate the Corinthians but to empower them to mature in their understanding and conduct themselves appropriately under the cruciform authority of Jesus Christ It invites readers to revisit the merely negative notion of power in deconstructionist power discourses and reconsider the importance of good uses of power in building up a faith community      Engaging Early Christian History Ruben R. Dupertuis,Todd Penner,2014-09-03 This book extends scholarly debate beyond the analysis of pure historical debates and concerns to focus on the associations between Acts and the diverse contemporaneous texts writers and broader cultural phenomena in the second century world of Christians Romans Greeks and Jews      **After the First Urban Christians** Todd D. Still,David G. Horrell,2009-11-13 After the First Urban Christians introduces the groundbreaking volume The First Urban Christians to a new generation of students scholars and even general readers      The Enemies of Paul: Demons, Satan, Betrayers, and Apostles Roger S. Busse,2018-08-23 Paul s conflict with viscous enemies human and otherwise led him to employ efficacious powers charismata charismatic powers and controversial and sometimes illegal practices that are only coherent when placed in context of the first century Hellenistic Roman world These included soul and spirit transportation possession and exorcisms special techniques to repel demonic attack as well as what was considered the darkest of black magic in the ancient world the casting of death curses which called on Satan to infect harm and even kill his enemies All of these can be recovered in striking detail using risk analysis of his undisputed writings and comparing them with contemporary sources papyri and documents independent of the New Testament The results demonstrate that Paul s letters are so much more than simply intellectual and rhetorical correspondences they are infused with dangerous mystical and charismatic powers feared in an ancient world that was saturated with prevalent active dark forces and multi layered human and supernatural conflicts of angels and demons at war of charismata and anathemata deadly curses and Paul s expectation of the hemera kuriou Day of the Lord that would defeat Satan and the curse of death via pistis faith in the efficacious euangelion gospel of agape love      **Pioneering Movements** Steve Addison,2015-11-09 Jesus pioneered something completely new in human history a dynamic missionary movement intent on reaching the world What does it take to lead movements like that today Steve Addison shows how to follow Jesus example offering a vision of apostolic leadership that embraces Jesus mandate to make disciples of all nations in all places      **The Anchor Bible: Romans** ,1964 The Anchor Yale Bible is a fresh approach to the world s greatest classic Its object is to make the Bible accessible to the modern reader its method is to arrive at the meaning of biblical literature through exact translation and extended exposition and to

reconstruct the ancient setting of the biblical story as well as the circumstances of its transcription and the characteristics of its transcribers. It is a project of international and interfaith scope. Protestant, Catholic, and Jewish scholars from many countries contribute individual volumes and is an effort to make available all the significant historical and linguistic knowledge which bears on the interpretation of the biblical record. It is aimed at the general reader with no special formal training in biblical studies yet it is written with the most exacting standards of scholarship reflecting the highest technical accomplishment. Vol 1 p ii *The Catholic Biblical Quarterly*, 2007. Includes various reports of the Association.

**Signs of Continuity** Greg Rhodea, 2019-12-11. For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus's message and the true founder of Christianity. *Signs of Continuity* intervenes in this debate by exploring a largely overlooked element of similarity between the two men: the place of miracles in their ministries. In his close analysis of the miracles performed by Jesus and Paul, Greg Rhodea points to signs of continuity between these two historical figures of Christianity. He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized, resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom. Based on these similarities, Rhodea concludes that Paul the apostle knew of Jesus's miracles and that he imitated Jesus in his own ministry of miracle working. In highlighting this previously unexplored area of continuity, Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul. Biblical scholars and students interested in this debate will find *Signs of Continuity* enlightening and informative.

**Exploring the New Testament in Asia** Samson L. Uytanlet, Bennet Lawrence, 2024-08-31. There is a growing recognition that God's design is for us to read Scripture alongside the whole church in all of its cultural and linguistic diversity. *Exploring the New Testament in Asia* is a textbook for students and scholars of the New Testament to help the church hear and see the good news of Jesus anew. This collection of essays offers theological reflections on New Testament themes from Asian perspectives while addressing contextual issues in light of the New Testament. Touching on topics such as salvation, holiness, poverty, ethnic tensions, reconciliation, honoring elders, persecution, and hospitality, the scholars in this book demonstrate the importance of a varied contemporary context for understanding the New Testament. The result is a theological contribution that is both contextually relevant and biblically faithful.

**Entering God's Kingdom (Not) Like A Little Child** Eunyoung Lim, 2021-09-07. What does it mean to be like a child in antiquity? How did early Christ followers use a childlike condition to articulate concrete qualifications for God's kingdom? Many people today romanticize Jesus's welcoming of little children against the backdrop of the ancient world or project modern Christian conceptions of children onto biblical texts. Eschewing such a Christian exceptionalist approach to history, this book explores how the Gospel of Matthew 18:1-4, the Gospel of Mark 9:13-15, the Gospel of Luke 9:46-48, the Gospel of John 1:12-13, the Gospel of Thomas each associate childlikeness with God's kingdom within their socio-cultural milieus.

The book investigates these three texts vis vis philosophical historical and archaeological materials concerning ancient children and childhood revealing that early Christ followers deployed various aspects of children to envision ideal human qualities or bodily forms Calling the modern reader s attention to children s intellectual incapability asexuality and socio political utility in ancient intellectual thought and everyday practices the book sheds new light on the rich and diverse theological visions that early Christ followers pursued by means of images of children

*Chiesa, ministero e ministeri nell'esperienza di Paolo* Giacomo Lorusso, 2017-02-06T16:45:00+01:00 Da duemila anni san Paolo il modello di riferimento per ogni ministro del vangelo e il libro descrive i punti di forza del suo apostolato dalla testimonianza della Chiesa viva da lui perseguitata alla chiamata sulla strada di Damasco dalla comprensione della natura ministeriale della Chiesa come corpo di Cristo alla riflessione sulla realt del peccato che domina questo mondo dall annuncio del Cristo crocifisso alle caratteristiche del suo compito L esposizione quanto pi possibile aderente al testo delle lettere paoline e prende in esame anche quelle che l esegesi moderna non attribuisce all apostolo ma alla sua scuola eloquenti dimostrazioni della sensibilit di un testimone autorevole e appassionato del vangelo
