Happy Child A. Frederick North, Richard H. Granger, Catherine S. Chilman, 1980 Conscious Parenting Gabriel Cousens, 2021-07 **How to Raise an Adult** Albert Piaget, 2020-10-17 Are you stressed about your child's behavior? Do you want him or her to become more like an adult: responsible, more mindful, disciplined, and happy? If you've answered YES, keep reading. You are about to discover how to raise happy, healthy, responsible, and disciplined children even if you feel inadequate, uncertain, inexperienced, and lost. Raising a child is mentally and physically draining. Some people even agree that it is the toughest job. What's worse is that in the modern society, parenting sometimes means navigating a dizzying array of contradictory advice on just about everything. In fact, a recent survey showed that parents agreed by a 6 to 1 margin that parenting is more difficult today than in the past. So if you've been finding it unnervingly difficult to raise your child, believe me, you're not alone. More precisely, here is what you will learn from this book: Why the responsibility of the child solely lies on their parents. The importance of self-discipline. How your child can benefit from success. Procrastination and why it's limiting in helping your child become the best version of themselves that you wish them to become. Why and how your fears can spread and become a reality to your child. How pessimism spreads to your child and how to tame it. How to teach your child to be mindful. And so much more. Whether you're a beginner trying to raise your first child or a parent who wants to make things right for a change, you will find this book extremely helpful. Indeed, if you've ever had a wish to see a responsible, compassionate, disciplined, and happy little adult in your child, this book is giving you the chance to achieve that through a simple understanding of the most important concepts and by taking easy steps clearly outlined in the book. I understand that kids are different, and yours might be one of the most problematic they might have caused you some of the worst headaches over the years, but with what you're going to learn in a moment, you'll realize that even the worst of kids can become every parent's dream child. Don't wait any longer. **Raising Children** Joseph R. Parker, 2019-06-02 Have you wondered if you're making the right decisions when it comes to raising your sons and daughters?
