Wealth in the Dead Sea Scrolls and in the Qumran Community Catherine Murphy,2018-12-24 This volume is concerned with exploring sectarian attitudes toward wealth and the economic practices that gave rise to and issued from those attitudes An introductory chapter establishes the state of the question Three subsequent chapters focus on major sectarian texts the Damascus Document the Rule of the Community and 4QInstruction A Other sectarian and non sectarian texts that mention wealth are discussed in a fifth chapter while archaeological evidence from the Qumran region and contemporary documentary texts are introduced in chapters seven and eight Finally ancient secondary testimony on Essene economic practices is discussed The book breaks new ground in arguing for several biblical rationales for the practice of shared wealth Its integration of archaeological and documentary evidence sheds surprising new light on the economic organization of the Qumran community The New People's Cyclopedia of Universal Knowledge William Harrison De Puy, Henry Frederic Redall,1889 Annual Report of the American Bible Society American Bible Society,1910 Together with a list of auxiliary and cooperating societies their officers and other data The Shema in John's Gospel Lori A. Baron,2022-10-11 The Shema Deut 6 4 5 is the lens through which Lori A Baron explores Johannine Christology and the fraught relationship between John s Gospel and Judaism She begins by examining the use of the Shema in the Hebrew Bible and Second Temple literature where it is frequently evoked in scenes of covenant renewal to support adherence to Jewish law and in prophetic oracles of restoration The Shema functions similarly in John s Gospel where Jesus unity with God is expressed in terms of the oneness of the Shema e g 10 30 17 21 23 Jesus is within the divine unity While the Synoptic Gospels cite the Shema explicitly and while Paul uses the Shema Christologically in John the Shema is an apologetic foil against accusations of bitheism it is used polemically against Jesus opponents and it signals that followers of Jesus represent the promised restoration of Israel
