

Dear Parents,

Welcome back!!! My name is _____ and I will be your child's Physical Education Teacher this year. I am very excited about providing enjoyable opportunities to be active in P.E. class.

Your child will have physical education once a week. Students must wear sneakers to P.E. This is for safety, comfort and full participation in class.

In physical education the expectations are: we come to learn, to try our best and be a great friend. By following these guidelines we will have positive, successful and productive physical education experiences.

Please feel free to contact me any time with questions or concerns at _____.

I look forward to a fun, safe and fit school year.

Sincerely,

Physical Education Teacher

Parents and Teachers Lawrence Green, 2025-08-05 Originally published in 1968 this book was for every parent who had ever wondered What goes on in my child s school whom do I ask what do I ask and dare I ask and for every teacher who had ever thought How can I get closer to parents and enlist their aid in what I am trying to teach At the time Lawrence Green was a junior school head teacher with long experience in the deprived areas of a large city and had two children at school His articles on parent teacher cooperation in the magazine *Where* aroused very wide interest and led to reviews in the national press and appearances on the BBC and ITV Requests for details of his two way reports in which parents were invited to give the school a picture of the child at home were received from all over the world This is a practical and deeply felt book a living illustration of the kind of cooperation which could make the Plowden Report a reality It deals frankly with the difficulties of starting and maintaining links between home and school but describes the kind of success which could be achieved The intention was that it should be read by all who cared about education and wanted to cross the line which too often separated parent and teacher at the time Today it can be read in its historical context
