Understanding Peace Michael Allen Fox, 2013-11-12 Understanding Peace A Comprehensive Introduction fills the need for an original contemporary examination of peace that is challenging informative and empowering This well researched fully documented and highly accessible textbook moves beyond fixation on war to highlight the human capacity for nonviolent cooperation in everyday life and in conflict situations After deconstructing numerous ideas about war and explaining its heavy costs to humans animals and the environment discussion turns to evidence for the existence of peaceful societies Further topics include the role of nonviolence in history the nature of violence and aggression and the theory and practice of nonviolence The book offers two new moral arguments against war and concludes by defining peace carefully from different angles and then describing conditions for creating a culture of peace Understanding Peace brings a fresh philosophical perspective to discussions of peace and also addresses down to earth issues about effecting constructive change in a complex world The particular strength of Understanding Peace lies in its commitment to reflecting on and integrating material from many fields of knowledge This approach will appeal to a diverse audience of students and scholars in peace studies philosophy and the social sciences as well as to general interest readers

A Symphony of Silence: An Enlightened Vision 2nd Edition George A. Ellis, 2015-05-01 The first edition of A Symphony of Silence An Enlightened Vision was inspired by the desire to share with humanity through multiple voices the ineffable beauty we experience in our lives when the veil of ignorance is pulled back and the wonder of our essential nature is revealed The voices emerging from these pages add vitality and validity to our shared experience of the silence of the transcendent It is not something beyond our reach but a reality that has always been with us quietly awaiting an opportunity to unfold In this second edition of A Symphony of Silence several new voices are added to the chorus of the first edition A Catholic priest tells us of using TM as part of his inspired vision of the power of love to transform the lives of abused and destitute children from the streets of South America The founding director of an orphanage and school in Uganda who likewise brings TM to children in need describes to us his compassionate resolve to eradicate suffering within his community A poet expresses for us in verse the joy of a seeker reaching for the light A scientist and his colleagues show us the power of TM to reduce stress and alleviate PTSD in the field of law enforcement An actor director producer and entrepreneur explores with us his innovative projects for inner city students through Edutainment Women who for decades dedicated themselves to introducing

the TM program to their multicultural community share with us delightful and very personal stories A pioneering social activist brings us into the conversation he had with Maharishi in 1968 at a conference in Squaw Valley California He talked candidly with Maharishi about the need to introduce TM as a tool to bring inner freedom to the inner cities helping to fulfill the quest for true civil rights The voices in A Symphony of Silence create a glimpse into the vast impact that Maharishi has on many lives throughout the world The American Journal of Religious Psychology and Education ,1907 **A New and Corrected Version of the New Testament; Or, a Minute Revision of the Original Memoirs, Letters, Prophecies and Other Productions of the Evangelists and Apostles; To which are Subjoined a Few, Generally Brief, Critical, Explanatory, and Practical Notes. By Rodolphus Dickinson. [With a Portrait.]** ,1833 The Works of the Rev. P. Doddridge Philip Doddridge,1803 *Catalog of Copyright Entries* Library of Congress. Copyright Office,1964 **A Taste of God** T. van den Hoogen,2011 In the course of the 20th century a new worldview has arisen in Western society and culture that is defined in this book as immanent mysticism Several major philosophers are sensitive to such a sense of immanent mysticism The same sensitivity is noticeable in the works of poets painters and other artists It expresses the desire for transforming the way to meaningful living A Taste of God shows that theological research programs are innovated by insights from aesthetics and studies of spirituality The book s research indicates that contemporary Western culture requires a reframing of foundational theology Series Nijmegen Studies in Theology Vol 3
