Peacebuilding Catholic Theology Ethics And Praxis:

Peacebuilding Robert J. Schreiter, R. Scott Appleby, Gerard F. Powers, 2010 Here a team of scholars explicate the theology and practice of peacebuilding past present and future While many of the essays deal with general themes of reconciliation forgiveness interreligious dialogue and human rights there are also case studies of peacebuilding in such diverse contexts as Columbia the Philippines and Africa *From Just War to Modern Peace Ethics* Heinz-Gerhard Justenhoven, William A. Barbieri, Jr., 2012-10-01 This book rewrites the history of Christian peace ethics Christian reflection on reducing violence or overcoming war has roots in ancient Roman philosophy and eventually grew to influence modern international law This historical overview begins with Cicero the source of Christian authors like Augustine and Thomas Aquinas It is highly debatable whether Augustine had a systematic interest in just war or whether his writings were used to develop a systematic just war teaching only by the later tradition May Christians justifiably use force to overcome disorder and achieve peace The book traces the classical debate from Thomas Aquinas to early modern age thinkers like Vitoria Suarez Martin Luther Hugo Grotius and Immanuel Kant It highlights the diversity of the approaches of theologians philosophers and lawyers Modern cosmopolitanism and international law thinking it shows are rooted in the Spanish Scholastics where Grotius and Kant each found the inspiration to inaugurate a modern peace ethic In the 20th century the tradition has taken aim not only at reducing violence and overcoming war but at developing a constructive ethic of peace building as is reflected in Pope John Paul II's teaching **The ^AOxford Handbook of Religion, Conflict, and**

Peacebuilding Atalia Omer, R. Scott Appleby, David Little, 2015-03-02 The book provides a comprehensive overview of the literature on religion conflict and peacebuilding With a focus on structural and cultural violence the volume also offers a cutting edge interdisciplinary reframing of the scope of scholarship in the field **Conflict and Catholic Social Ethics** Taylor J. Ott, 2024-11-01 This book focuses on the question of how to understand conflict and its place in Catholic and Christian social ethics The author examines Catholic social teaching CST for its explicit mentions of conflict or contention and analyzes the way that CST addresses the subjects of peace labor and environment While CST offers precedent to think about conflict within the frame of Catholic ethics its lack of explicit engagement remains a major obstacle to a full rich and concrete understanding of the fabric of society and the work of social justice Any social ethic that is not informed by the presence of conflict misses a major dynamic in society and therefore leads to ethical judgements that are at best inadequate and at worst actively harmful Building upon the insight of respected thinkers within Catholic social thought this study is based on an interdisciplinary method that engages sociology political theory postcolonial theory and intersectional feminist ethics The book will be of particular interest to theological ethicists and those who work with modern CST The Routledge Handbook of Religion and Security Chris Seiple, Dennis Hoover, Pauletta Otis, 2013 This Handbook offers analyses of how nine different world religions have related to issues of war and peace theologically and practically overviews of how scholars and

practitioners in nine different topical areas of security studies have or have not dealt with the relationship between religion and security and five case studies of particular countries in which the religion security nexus is vividly illustrated Nigeria India Israel the former Yugoslavia and Iraq *The Wiley Blackwell Companion to Religion and Peace* Jolyon Mitchell, Suzanna R. Millar, Francesca Po, Martyn Percy, 2022-08-02 Incisive contributions from leading and emerging scholars in the field of Peace Studies In the Wiley Blackwell Companion to Religion and Peace a team of renowned scholars delivers an authoritative and interdisciplinary sourcebook that addresses the key concepts history theories models resources and practices in the complex and ambivalent relationship between religion and peace The editors have included contributions from a wide range of perspectives and locations that reflect diverse methods and approaches The Companion provides a collection grounded in experience and context that draws on established developing and new research characterized by academic rigor The differences between the approaches taken by several religious traditions are fully explored and numerous case studies highlight relevant theories models and resources Accessible as either a standalone collection or as a partner to the Companion to Religion and Violence this edited volume also offers A thorough introduction to religion and its search for peace including the relationships between religion and peace and theories and practices for studying the interplay between religion and peace Comprehensive explorations of religion and peace in local contexts including discussions of women s empowerment and peacebuilding in an Islamic context Practical discussions of practices and embodiments of religion and peace including treatments of museums for peace and self religion in global peace movements In depth examinations of lived Christian theologies and building peace including discussions of Martin Luther King Jr and spiritual activism in Scotland Perfect for students and scholars of peacemaking peacekeeping and peace building the Wiley Blackwell Companion to Religion and Peace will also earn a place in the libraries of anyone professionally or personally interested in the field of Peace or Religious Studies International Relations History Politics or Theology *Religious Leadership* Sharon Henderson Callahan, 2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today s student audience *Humbling Faith* Peter Admirand, 2019-03-22 This is a book hoping to embolden doubt and sharpen unanswerable questions all in the context of loving the self and one another

Ridiculously it believes the world can be healed through such a hope It is especially addressed to those allergic to the word faith and others who feel confident and proud in the faith they profess or system of thought they live by Humbling Faith helps us see how our beliefs or non beliefs our belongings and identities often remain flawed myopic self absorbed unredeemed The hope is that such awareness of our brokenness can fuel greater ethical partnerships and dialogue promoting peace from our recognized need for one another Humbling Faith is not only a resource towards humbling other faiths but most importantly your own

The Gift of Mission James H. Kroeger,2013 This title provides a comprehensive summary of the rewards and challenges of doing mission as Maryknoll begins its second hundred years in a greatly changed world [A Just Peace Ethic Primer](#) Eli S. McCarthy,2020-05-01 The just peace movement offers a critical shift in focus and imagination Recognizing that all life is sacred and seeking peace through violence is unsustainable the just peace approach turns our attention to rehumanization participatory processes nonviolent resistance restorative justice reconciliation racial justice and creative strategies of active nonviolence to build sustainable peace transform conflict and end cycles of violence A Just Peace Ethic Primer illuminates a moral framework behind this praxis and proves its versatility in global contexts With essays by a diverse group of scholars A Just Peace Ethic Primer outlines the ethical theological and activist underpinnings of a just peace ethic These essays also demonstrate and revise the norms of a just peace ethic through conflict cases involving US immigration racial and environmental justice and the death penalty as well as gang violence in El Salvador civil war in South Sudan ISIS in Iraq gender based violence in the Democratic Republic of Congo women led activism in the Philippines and ethnic violence in Kenya A Just Peace Ethic Primer exemplifies the ecumenical interfaith and multicultural aspects of a nonviolent approach to preventing and transforming violent conflict Scholars advocates and activists working in politics history international law philosophy theology and conflict resolution will find this resource vital for providing a fruitful framework and implementing a creative vision of sustainable peace

Religious Leaders and Conflict Transformation Nukhet A. Sandal,2017-02-16 Religious dimension of contemporary conflicts and the rise of faith based movements worldwide require policymakers to identify the

channels through which religious leaders can play a constructive role While religious fundamentalisms are in the news every day we do not hear about the potential and actual role of religious actors in creating a peaceful and just society Countering this trend Sandal draws attention to how religious actors helped prepare the ground for stabilizing political initiatives ranging from abolition of apartheid South Africa to the signing of the Lome Peace Agreement Sierra Leone Taking Northern Ireland as a basis and using declarations and speeches of more than forty years this book builds a new perspective that recognizes the religious actors agency showing how religious actors can have an impact on public opinion and policymaking in today s world **The Joy of Religious Pluralism** Phan, Peter C.,2017-02-16 Spirit and Salvation Veli-Matti

Karkkainen,2016-12-09 The fourth installment in a wide and deep constructive theology for our time This fourth volume in Veli Matti Karkkainen s ambitious five volume systematic theology develops a constructive Christian pneumatology and soteriology in dialogue with the diverse global Christian tradition and with other major living faiths Judaism Islam Buddhism and Hinduism *Liberation through Reconciliation* O. Ernesto Valiente,2015-12-01 In the past one hundred years alone more than 200 million people have been killed as a consequence of systematic repression political revolutions or ethnic or religious war The legacy of such violence lingers long after the immediate conflict Drawing on the author s experiences of his native El Salvador *Liberation through Reconciliation* builds on Jon Sobrino s thought to construct a Christian spirituality and theology of reconciliation that overcomes conflict by attending to the demands of truth justice and forgiveness Fratelli Tutti William T. Cavanaugh,Carlos Mendoza-Alvarez,Ikenna Ugochukwu Okafor,Daniel Franklin E. Pilario,2024-01-19 This volume is the first truly global commentary on a papal encyclical Pope Francis published *Fratelli Tutti* in October 2020 in the midst of interrelated global crises climate catastrophe ongoing racial injustice a widening gap between the rich and the desperately poor battles over human migration the rise of authoritarian politics and the erosion of democracy all exacerbated by the COVID 19 pandemic The encyclical provided a sobering assessment of the devastation but also a hopeful vision of solidarity and healing The responses in this book not only reflect on *Fratelli Tutti* from a great diversity of locations and perspectives but also attempt to model Francis s call to fraternity and sorority within this volume In these pages scholars from around the world create a conversation meant to embody one of the virtues that Francis elicits in the encyclical creative openness to the reciprocal gifts of others This book takes up Pope Francis s invitation to continue talking thinking and acting always in a climate of both confidence and audacity to promote social friendship among the people of the world **Religion, Social Memory and Conflict** Sandra Milena Rios Oyola,2015-06-13 This book studies how religion influences the way people in Colombia remember a massacre of 79 civilians that occurred in a Catholic church in 2002 It analyses how strategies of memorialisation are part of religious peacebuilding initiatives that aim to resist and denounce crimes against human ethnic cultural and economic rights *We Are The Voice of the Grass* David A. Hoekema,2019-01-04 In Uganda East Africa a region long controlled by Joseph Kony s Lord s Resistance Army leaders of Catholic Protestant and Muslim

communities overcame centuries of mistrust to work together for peace Drawing on a rich collection of personal interviews David Hoekema recounts the courageous work of the Acholi Religious Leaders Peace Initiative to resolve the conflict and rebuild communities **Reading Scripture as a Political Act** Matthew A. Tapie, Daniel Wade McClain, 2015-11-01

Although scholars increasingly understand Scripture to contain political dimensions and implications the interpretation of Scripture is often marginalized in most scholarly discussions of political theology Reading Scripture as a Political Act takes a step toward remedying this situation by exploring some of the ways the church has read Scripture politically In particular this volume examines the political character of premodern and modern theologians readings of Scripture with attention to how their readings relate to or address political challenges in their particular social and historical settings The essays attempt to illuminate the ways that the theological interpretation of Scripture shaped the theopolitical imaginations of Augustine Basil of Caesarea Bonaventure Thomas Aquinas Bartolome de las Casas John Wesley Karl Barth Henri de Lubac and John Howard Yoder among others Several essays in the volume also take constructive steps and suggest how these models of reading Scripture can inform the contemporary task of reading Scripture in political contexts The volume covers the earliest Christian centuries to the late modern era and considers carefully the close coordination between Scripture theology and social and political concerns As a whole the collection provides a robust survey of Christian theopolitical interpretation of the Bible Civil Resistance and Violent Conflict in Latin America Cécile Mouly, Esperanza Hernández Delgado, 2019-01-21 This book explores distinct forms of civil resistance in situations of violent conflict in cases across Latin America drawing important lessons learned for nonviolent struggles in the region and beyond The authors analyse campaigns against armed actors in situations of internal armed conflict against private sector companies that seek to exploit natural resources and against the state in defence of housing rights to cite only some scenarios of violent conflict in which people in Latin America have organized to resist imposition by powerful actors and or confront violence and oppression Each of the nine cases studied looks at the violent context in which civil resistance took place its modality its results and the factors that influenced these as well as the challenges faced offering useful insights for scholars and practitioners alike
