Planning the Integrated Audit

I. Engagement Letter

December 18, 2009

Mr. Kevin Chen, Chair
Audit Committee of the Board of Directors
Peach Blossom Cologne Company
1308 Bee Hive Boulevard
Chicago, Illinois

Dear Mr. Chen:

We are writing this letter to confirm our agreement with respect to our integrated audit of the financial statements of Peach Blossom Cologne Company and its internal control over financial reporting for the year ending December 31, 2009. The purpose of the audit will be to provide our opinion regarding the fairness of presentation of the financial statements in conformity with generally accepted accounting principles and the effectiveness of internal control over financial reporting in conformity with the COSO framework.

Our examination will be conducted in accordance with generally accepted auditing standards and will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The examination will also include an audit of internal control over financial reporting, including such tests of the design and operation of these controls as we deem necessary to assess their effectiveness and the impact on the nature, timing, and extent of our audit evidence. In conjunction with our audit of internal control over financial reporting, we will provide a written communication to management and the Audit Committee of the Board of Directors describing any control deficiencies, significant deficiencies, and material weaknesses we encounter. Material weaknesses will preclude our providing an unqualified opinion on the effectiveness of internal control. Our audit will also include assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation.

We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The examination will not include a detailed audit of transactions to the extent required to discover defalcations and/or other irregularities that are not material to the financial statements, although our examination may uncover such matters.
