Mother On Fire A True Motherfpercentusd Story About Parenting:

Mother on Fire Sandra Tsing Loh, 2008-08-12 This is a story about the year I exploded into flames Which turns out to be more common than you d think among forty something humans Yea we can hold it together in our thirties with a raft of hair products and semi tall nonfat half caf beverages and much brisk walking to a lot of interesting appointments Come the forties though cracks begin to appear One staggers suddenly along life s path gourmet coffee splats the wig slips askew In other words my friends THE WHEELS COME OFF Sandra Tsing Loh is the fiercest funniest and most incredibly honest and self deprecating voice to emerge from the mommy war debates In *Mother on Fire* she fires away with her trademark hilarious satire of societal and personal irks large and small including limo liberals who preach the virtues of public school but send their children to fashionable private ones the proliferation of costly skin care products that just don t cut it society s obsession with aromatherapy her Chinese father s disdain for her life as an artist and 10 Target pants Are they running pants exercise pants pajama pants that are the ubiquitous Mother of Small Children uniform Prompted by her own midlife crisis Loh throws her frantic energy not into illicit affairs shopping binges or exotic trips but into the harrowing heart of contemporary dysfunctional L A life when she realizes that she can t afford private school for her daughter and her only alternative is her neighborhood s public school Guavatorina where most of the kids speak Spanish and qualify for free lunches In a theater of the absurd style odyssey *Mother on Fire* documents Loh s year of living dangerously among pompous school admissions officials lactose intolerant Prius driving parents mafia dons of public radio vindictive bosses and old friends with new money as she first kisses ass and then kicks it

Mother on Fire Sandra Tsing Loh, 2008 A humorist and radio commentator shares her quest to find the perfect kindergarten for her five year old daughter while dealing with the loss of her job a therapist and her evolution from manic status seeking mom to community activist *Diary of a Mother* Christine Hohlbaum, 2003-06-24 Cartoon Cathy meets Erma Bombeck in this hilarious collection of short stories that will keep you laughing and crying from cover to cover Christine Hohlbaum reels you into the world of child mayhem as she recounts tales of life with small children From potty training to the magic of Santa Claus this book tells all about the ups and downs of parenting A splendid addition to your leisure reading list *On Fire: A Memoir* Andra Paitz, 2023-02-07 **The Monster Within** Cecile R. Bauer, 2010-07-25 SOMEBODY HELP ME BEFORE I HURT MY CHILD Almost every mother has experienced an overwhelming uncontrollable anger while trying to meet the demands of parenting This is a story of a young mother who lost control of her monster within It is a narrative of child abuse from the viewpoint of the forgotten victim the screaming out of control parent Lu a teenaged mother adored her children and tried to be kind gentle and loving to them But she struggled daily with a rage borne of frustration Periodically this rage manifested itself in an explosive fury so intense that she gave it a name Mona the Monster in her attempt to rationalize the consequences of her cruel actions Although Lu thought of Mona as an actual demon possessing her her angry behavior was really a result of many factors including her

youth inexperience at effective mothering skills and frustration at falling short of her ideals As Lu gained maturity and with the help of God family and good neighbors she learned how to master this monstrous rage within But it took a near tragedy before Mona was banished forever finally leaving only Lu in control and able to cope with the demands of motherhood And with God s help parents can break the cycle of child abuse or better yet keep it from ever happening This book tells the sad bad beginning of Mona Lu and the Bauer family but this story has a happy ending Readers may also be interested in **CHERISH EVERY MOMENT** Seaboard Press 2009 which tells the rest of this happily ever after story of terror and salvation Cecile R Bauer is a mother of ten grandmother to seventeen and great grandmother to a dozen or more beloved children Now known as Grandma Giggles she has come a long way from the screaming monster depicted in this book A writer from the age of eleven Bauer has published seven books and numerous articles and stories in magazines and newspapers from coast to coast She is experienced at public speaking on radio television and to large and small organizational meetings If I can help spread the good news about how to prevent child abuse I am willing to tell my sad story in order to help others caught in the tangle of negative emotions responsible for child abuse

ABOUT THE AUTHOR Cecile Bauer has been writing since the age of eleven She has seven previously published books both fiction and non fiction to her credit as well as countless stories and articles in magazines and newspapers from Sacramento California to New York City A wife for over fifty years mother of ten and grandmother to an endless clan of family members Bauer still makes time for volunteer work at her church The Bauer family motto is Thank God Laugh Every Day

Unraveled Maria Housden, 2005-06-07 As a twelve year old girl Maria Housden s vision of a happy future included everything that society expects girls to yearn for a home a husband and of course children Life had other plans Unraveled is Housden s riveting and thoughtful story of how after the death of her young daughter she found the courage to break away from her role as a wife and stay at home mom and strike out on her own in search of a more fulfilling life Leaving her three surviving children in the primary custody of her husband Housden faced down the disbelief of friends and family and began a journey that would ultimately lead her not only to the truth about herself but also to a deeper and more loving connection with her children Housden writes about the emotional reckoning that led to her decision and the ways in which she has become the best mother she can be while no longer living with her children full time With fierce honesty and the same gift for poignantly beautiful writing that she demonstrated in the bestselling *Hannah s Gift* Housden makes a valuable contribution to our collective conversation about mothering marriage and the assumptions we make about the way life is supposed to be Unraveled is the remarkable story of one woman s choice not to live every girl s dream and instead to find her own

Mom As of July Emily Cardamon,Melissa Zielke,2017-11-17 Initially set in small town amidst the beautiful mountains in Colorado Luanne s life spirals down a path of bankruptcy alcoholism homelessness and eventually a prognosis of one week to live due to end stage cirrhosis of the liver Through the power of God s grace she lives to tell her side of the story

The Mother Always Knows Mary Saint,2001

Raising My Children Alone Shirley Wilson,2004-07-01 This true story is so unbelievable it can be mistaken as fiction The protagonist is the mother of six children She struggles in a dramatic determination to achieve her lifelong goal to become a teacher along with trying to find a balance between raising and educating her children While her children look forward to a better life when their mother completes her education and gets a job she tries to find ways to help them survive on a meager income This book tells how the mother was abandoned by the man she married and how she was uprooted from her extended family She was left alone to survive with her children on a balding landscape of life As she draws her strength from her

Source of power she depicts a recreation of an extended family in her present community setting many miles away from her roots The mother does more than reveal survival skills in her dramatic captivating story Reading the book is a mirror It touches the lives of single parents and married couples with children The book shows how a family can emerge into a spiritual unity This is what some critics said about an excerpt or a chapter in the book 1 was practically on my toes the story forced me to read every page hoping and praying that the boy would get the bike for Christmas The story is so full of drama That s what good writing is all about Bravo Sandra Horton University Professor of Music 1 read at least 10 to 12 books a month This one is so different and among the best I felt like getting inside of the mother and helping her out in her plight Your ability to combine your literary craft with a true story is just simply remarkable The part about multi lighted windows of a newly built subdivision were staring at me through a wet misty foggy morning like yellow eyed jungle cats waiting for prey I found myself reading it over and over again What can I say It s simply didactic Loved it Joan Love International Motivational Speaker
