Dear, Sir/Madam,

I'm willing to apply for the master's programme of the ABC institution with my motivation letter. I have tried my best further to put out my every word of motivation in the letter so as to join the programme. I have recently finished my bachelor's from one of the most prominent business schools in the country. Further, as a management fanatic student, I want to take my career ahead in the domain of management itself.

I honestly aspire and admire the ABC institution for quite a long time to be its part as a student. In my view, I couldn't see any other institution equally competent to fulfill my MBA programme aspiration.

I have been exceptionally well throughout my entire academics. I'm further looking forward to be even better and finish my master's with my utmost zeal. With the same zeal and excitement, I'm ending my motivation letter. I'm hoping to be shortlisted for upcoming MBA batches of the Institution and try my level best to witness the glory of the Institution's world-class education.

Thanks & Regards
