

H700
Bluetooth®
Handsfree Headset

Get Connected in
4 Quick Steps

- 1 - CHARGE
- 2 - START BLUETOOTH FEATURE
- 3 - PAIR
- 4 - TEST AND USE

BEFORE YOU BEGIN

Before using this product, read the important safety and legal information provided and follow the instructions.

Take a headset before you get started to introduce yourself with your new H700 headset.

1 CHARGE
Your Headset's Battery

1 Plug the Motorola charger into the end of the headset.

The indicator light turns red when the battery is charging. It may take up to 1 minute for the indicator light to turn on. When the headset's battery is fully charged (about 2 hours), the indicator light turns green.

2 Disconnect the charger.

Your headset is not functional while charging.

2 START BLUETOOTH FEATURE
Your Phone

Your phone's Bluetooth feature is off by default. To use your headset, you must turn on the Bluetooth feature in your phone.

For most Motorola phones, use the main method.

- 1 Press **[Menu]** - **Settings** - **Connection** - **Bluetooth On** - **Setup**.
- 2 Scroll to **Power**.
- 3 Select **Change**.
- 4 Scroll to **On**.
- 5 Press **Select** to turn on the Bluetooth feature. The Bluetooth feature remains on until you turn the feature off.

For other Motorola phones, see your phone's user guide.

3 PAIR
Your Headset

Before you can use your headset, you must pair it with your phone.

Step A - PUT THE HEADSET IN PAIRING MODE

The headset indicator light will be steadily lit in purple when in pairing mode. To place the headset in pairing mode:

- If the headset has never been paired with another device, simply open the headset boom. The indicator light becomes steadily lit in purple.
- If the headset has previously been paired with other devices, first ensure those devices are turned off. Then open the headset boom and the indicator light flashes in blue. After about 2 seconds, the indicator light becomes steadily lit in purple.

If the headset does not enter pairing mode, see **TROUBLESHOOTING** for help.

3 PAIR continued
Your Phone

Step B - SET YOUR PHONE TO LOOK FOR YOUR HEADSET

For most Motorola phones:

- 1 On your Motorola phone, press **[Menu]** - **Settings** - **Connection** - **Bluetooth On** - **Available** - **Look for Devices**.
- 2 Select **Motorola H700**.
- 3 Select **OK** or **Yes** to pair your headset with your phone.
- 4 Enter the pairing key: **0000**.
- 5 Select **OK**.

When your headset successfully pairs with your phone, the indicator light changes from steadily lit in flashing blue.

For other Motorola phones, see your phone's user guide.

4 TEST AND USE

Your phone and headset are now paired and ready to make and receive calls. To make a call:

- 1 Open the headset boom and place the headset over your ear.
- 2 On the phone, dial the number you want to call and press **[SEND]** key on your phone.
- 3 If your phone and headset are successfully paired, you will hear ringing on the headset.

After you have successfully paired your phone and headset, you don't need to repeat these steps. For daily use, ensure that your headset is turned ON and that your phone's Bluetooth feature is ON.

To save battery power, turn OFF the headset when you don't use it for an extended time by closing the boom.

USING YOUR H700

See **Features and Functions Guide** on the reverse side for information on using your H700.

TROUBLESHOOTING

My headset will not enter pairing mode.
Make sure that any devices previously paired with the headset are turned off. If the indicator light is flashing in blue, turn off the other device and wait for 10 seconds. The indicator light becomes steadily lit in purple indicating the headset is now in pairing mode.

My phone doesn't find my headset.
Make sure the indicator light on your headset is on for 5 seconds and steadily when your phone is searching for devices (see step 3).

My headset worked before but now it's not working.
Make sure your phone is on and the Bluetooth feature is turned on in your phone (see step 2). If the Bluetooth feature was turned off or was turned on only temporarily, you may need to repeat the Bluetooth feature (see step 2) and pair your phone and headset again (see step 3).
