The Suicide Flowers Pete Conrad, 2014-08-26 You see them every day the suicide flowers They bloom from the cracks and crevices of concrete sidewalks From between asphalt creases and gaps Yet these flowers blossom and prosper until the careless foot tramples Others wither and fade having survived despite their strained and dubious foundations Raeburn Messiah the Messiah of Metal sings for a living Currently he's on the downward spiral that unfaithful fame loves so dearly He feels that he's got it bad his life is over That is until he meets one of his most adoring fans Gabriel who has but months to live due to the complications of leukemia They are men both dying slow painful

carves an unpredictable path as Adrian's aging mother plunges into ever deeper realms of drug fueled paranoia. Ultimately the glossary's imposed order serves less to organize emotional chaos than to expose difficult but necessary truths such as the fact that some problems simply can't be solved and that loving someone doesn't necessarily mean saving them. **The Shiva** Michael Tregobov, 2012-07-26 Failures in business and marriage tip poor Mooney into a spell in a psychiatric ward. But he has the great fortune of befriending an Indian seer, one of his pals from the casino where Mooney hangs out, who promises to put Mooney's life back together. Dennis is no ordinary Indian seer. For one thing, he's a rez Indian from right around Winnipeg, just like Mooney. For another, he's a stock picker, and what he sees coming in the spring of 2008 is the subprime mortgage meltdown. So he puts together a consortium of himself, Mooney, and a bunch of Mooney's pals from the world of North End Winnipeg to pool their savings in a short selling scheme to cash in on the coming crash. But the so-called Eisenteeth syndicate isn't just betting against the market; Mooney and his pals are betting against Mooney's brother, Dave, crude, ignorant, maddeningly successful, whose oafish touch turns every business venture into gold. Did we mention their mother has something to say about all this? Like Michael Tregobov's debut novel *The Briss*, which was a finalist for the Commonwealth First Novel Award, Canada Caribbean Region. **The Shiva** is a fast-paced, character-driven novel. **Four Plays** Copi, 2019-09-05 This collection brings together four of Copi's best-known works for the stage: *Eva Peron*, *The Homosexual*, *The Four Twins*, and *Loretta Strong*. Set on the borderline between reality and delirium and featuring such charismatic icons as Eva Peron and Greta Garbo, Copi's plays are imbued with his trademark racy wit and manic pace, intended at once to unsettle the bien-pensants and to open up radically new insights. The product of one of the most talked-about dramatists in the French language since Arrabal, and the advent of the theatre of panic, Copi's works continue to shock and challenge to this day. **Flower Net** Lisa See, 2007-12-31 Lisa See begins to do for Beijing what Sir Arthur Conan Doyle did for turn-of-the-century London or Dashiell Hammett did for 1920s San Francisco. She discerns the hidden city lurking beneath the public facade. *The Washington Post Book World*: In the depths of a Beijing winter during the waning days of Deng Xiaoping's reign, the U.S. ambassador's son is found dead, his body entombed in a frozen lake. Around the same time, aboard a ship adrift off the coast of Southern California, Assistant U.S. Attorney David Stark makes a startling discovery: the corpse of a Red Prince, a scion of China's political elite. The Chinese and American governments suspect that the deaths are connected, and in an unprecedented move, they join forces to see justice done. In Beijing, David teams up with the unorthodox police detective Liu Hulan. In an investigation that brings them to every corner of China and sparks an intense attraction between the two, David and Hulan discover a web linking human trafficking to the drug trade, to governmental treachery, a web reaching from the Forbidden City to the heart of Los Angeles and like the wide flower net used by Chinese fishermen threatening to ensnare all within its reach. A graceful rendering of two different and complex cultures within a highly intricate plot. The starkly beautiful landscapes of Beijing and its surrounding countryside are depicted with a lyrical precision. *Los Angeles Times Book Review*.

Backpackers Paul Bellamy,2013-10-01 People do go missing on their holiday More than people think Backpacking tales do not always end happily Andrew and Kirsten are down on their luck in Indonesia during the late 1980 s They are almost out of money and sharing dormitories with cockroaches and other wildlife They are an unlikely couple

Andrew is a backpacker seeking adventure and fun and he is besotted with Kirsten. Kirsten is a mystery escaping her past and seeking a revenge that even she doesn't quite understand. They run into Carlo, a smuggler who is hunting his nemesis Maurice, a killer with a grudge and a taste for backpackers. The journey into fear takes them across the backpacking trails of Asia from Indonesia to Nepal. This is a story of sex, drugs, and rock n' roll backpacker style. Most backpackers enjoy an experience of a lifetime untouched by anything more than Delhi Belly, but some don't. Backpackers is a story that could happen to anybody. It's a novel for any past, present, and future backpackers but not their parents.

PFC: Private Flower Child Patricia Mohar, 2019-12-26. This is the true story, a memoir of S. Fenyo and McKinney PFC Private Flower Child, a young black man from Chicago who in 1970 is discovering his individuality. Its subtitle is *Marching to the Beat of a Different Drummer*. It is a time when the Vietnam War and civil rights marches are a regular feature of the nightly news. In an era when many young men are faced with the reality of war but are unaware of its consequences, PFC has become a protagonist of the Age of Aquarius, the peace movement, hippies, iconoclasm, Jimi Hendrix, and the new age of rock. He is a young man who wants to be part of the revolution. The story line parallels the lives of two brothers, PFC and his elder brother PRINCETON, who are both in the military during the Vietnam War. As he challenges the system, his brother embraces the war. Intermittently throughout the story, bold images of PRINCETON in combat in Vietnam are juxtaposed with the nonconformist capers of the pacifist PFC. PFC is an adventurer seeking to be free, questioning social norms. He rejects conformity, especially the military, but finds himself drafted at a time when the Vietnam War is escalating. In stark contrast, his older brother PRINCETON has voluntarily joined the U.S. Marines. He wants to serve his country by fighting in Vietnam and become one of the few good men. The tale of Private Flower Child begins at the Ringling Brothers Barnum Bailey Circus headquarters in Venice, FL, where he is rehearsing for the upcoming tour season. He receives a call from his mother instructing him to return home to Chicago or the military will arrest him as a draft dodger. On April 15, 1970, he is involuntarily inducted into the U.S. Army. The story follows him from his idealistic survival as a pacifist through the rigorous disciplines of military life. His army buddies call him PFC Private Flower Child, which was a vicarious substitute for the Army rank Private First Class. The story recounts PFC's adventures with friends and enemies in the military world. Each anecdote chronicles a chapter in his army experience, from boot camp to his honorable discharge. During basic training, he can't handle it at Chicago's O'Hare Airport and parties with friends at Love In gatherings at Grant Park. The antics continue when PFC paints his combat boots red, white, and blue. His song *I Got The Army Blues Baby* and its defiant lyrics performed at his battalion's talent show add to his many military infractions, resulting in an Article 15 reprimand. In addition, this autobiographical insight reveals PFC's escapades during his assignment in Germany, where he becomes the personal stenographer for Brigadier General George Patton IV, who will determine his fate when he is convicted for the possession of 0.6 grams of hashish. He became a member of a blues rock band, The Last Transaction, with two German civilians and an Army buddy. He continues with frequent AWOL holidays in

Switzerland and Austria He buys a 1961 Porsche names it Smack then paints the Superman S logo on the hood At last he returns home to Chicago and enrolls into college After completing two tours of duty in Vietnam his brother also returns home Days later his brother dies Later he finds that after a car accident his girlfriend s mother a recovering addict gave him methadone to relieve the head pain incurred from the accident The coroner attributes his death with the drug and alcohol he had taken earlier Motivated by the loss of his brother PFC establishes a career as The Fabulous FENO the world s only talking mime He creates the What Is Cool a program that encourages youths to say no to drugs and alcohol and yes to education and to a healthy positive lifestyle He appears on numerous TV shows and performs at schools all across the US The result of his work is exemplified by the positive outcome on the many lives he has inspired to this day
