Mountain City Girls The McGarrigle Family Album:

Mountain City Girls Anna McGarrigle, Jane McGarrigle, 2015-11-10 The first book and definitive family memoir from Anna and Jane McGarrigle sisters to Kate McGarrigle and aunts of Rufus and Martha Wainwright This book is truly a classic in the making The McGarrigles are known around the world for their touching insightful songs about love loss and family But where and how does a family so rich in musical luminaries take root In *Mountain City Girls* Anna and Jane recount their childhood in Montreal and the Laurentian Mountains and go further back to their ancestors early days in Canada and their parents courtship and marriage A vivid snapshot of coming of age in the 1950s the book recounts the sisters school days and rebellious teenage antics and their beginnings as musicians It takes us through the vibrant folk music circuit of the 1960s in Montreal and New York City and the burgeoning social movements of San Francisco and ultimately leads to the formation of the folk music duo Kate and Anna McGarrigle revealing the genesis behind some of their beloved songs and following their early days recording and performing The book also reads as a tribute to Kate who passed away in 2010 with insights into her character and creative development Inspiringly it speaks to the important sometimes lifesaving role of sisters and is a deeply moving testament to the profound importance of family Charming and witty interspersed with lyrics and photos this book captures the McGarrigles lives idiosyncratic upbringing and literary and musical influences No one can tell the story of the McGarrigles better than Anna and Jane or in such an inimitable intimate way *Mountain City Girls* Anna McGarrigle, Jane McGarrigle, 2015 A definitive family memoir from world well known singers Anna and Jane McGarrigle **A New History of American and Canadian Folk Music** Dick Weissman, 2019-09-05 Building on his 2006 book *Which Side Are You On* Dick Weissman's *A New History of American and Canadian Folk Music* presents a provocative discussion of the history evolution and current status of folk music in the United States and Canada North American folk music achieved a high level of popular acceptance in the late 1950s When it was replaced by various forms of rock music it became a more specialized musical niche fragmenting into a proliferation of musical styles In the pop folk revival of the 1960s artists were celebrated or rejected for popularizing the music to a mass audience In particular the music seemed to embrace a quest for authenticity which has led to endless explorations of what is or is not faithful to the original concept of traditional music This book examines the history of folk music into the 21st century and how it evolved from an agrarian style as it became increasingly urbanized Scholar performer Dick Weissman himself a veteran of the popularization wars is uniquely qualified to examine the many controversies and musical evolutions of the music including a detailed discussion of the quest for authenticity and how various musicians critics and fans have defined that pursuit **Music in American Life** Jacqueline Edmondson, 2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians scholars and critics from around the world Music has been the cornerstone of popular culture in the United States since the beginning of our nation's history From early immigrants sharing the sounds of their native lands to contemporary artists performing

benefit concerts for social causes our country's musical expressions reflect where we as a people have been as well as our hope for the future This four volume encyclopedia examines music's influence on contemporary American life tracing historical connections over time Music in American Life An Encyclopedia of the Songs Styles Stars and Stories That Shaped Our Culture demonstrates the symbiotic relationship between this art form and our society Entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television *Schwann Spectrum*, 1995 **Kate and Anna McGarrigle** Dane Lanken, 2007 The anarchically genteel living room musicality of these sisters has to be one of Canada's greatest contributions to world culture So wrote New York rock critic Robert Christgau of Kate and Anna McGarrigle whose singing and songwriting talents took them from a quiet Quebec village to the top stages of New York and London This is the story of that remarkable adventure told in text and in songs in scores of pictures from family snaps to formal portraits and in the words of leading journalists from around the world Includes a Kate and Anna McGarrigle songbook with complete lyrics and full musical notation to 34 favorite Kate and Anna songs

Mountain City Girls The McGarrigle Family Album Book Review: Unveiling the Magic of Language
