

A miniature nativity scene set against a dark blue night sky. In the background, a stone castle with multiple towers and arched windows stands prominently. To the left of the castle, a tall, dark palm tree reaches upwards. A large, bright yellow star with a multi-pointed, starburst effect is positioned in the upper left quadrant of the sky. The foreground is filled with numerous small, detailed figurines. On the left, several figures are gathered around a central point, possibly the manger. To the right, a group of white sheep is visible. The entire scene is illuminated by a soft, warm light, likely from the star and the castle's windows, creating a serene and festive atmosphere.
