Obamas Nation Obamas Nation Is Now A Communist Abomination:

The Abominations of the Obama-Nation Betty Sue Prollock, 2014-05-30 Some people use the poor minorities and special interest groups as an excuse to take away rights from others who tend to be wealthy white or Christian or all of the above Betty Sue Prollock a Christian and an American patriot seeks to wake people up from their slumber and shine a spotlight on the truth We're moving from a constitutional government founded on individual freedom to one that resembles an Islamic state President Barack Hussein Obama Jr and his followers who are using the government to oppress non victims in an effort to promote equality must accept much of the blame These power hungry individuals will stop at nothing to advance their own agenda and take away the rights of the majority Prollock argues that people in power are influencing and seducing the needy struggling with life's challenges She makes a convincing case that if the public doesn't act soon our God-given rights will be replaced by government-given rights and *The Abominations of the Obama Nation A Woman's Nation or Satan's Deceit...*

M.C. HIZEDEK, 2012-06-15 1865 ABRAHAM LINCOLN ASSASSINATED WOMEN'S FEMINIST MEMBER MARY SURREAT HANGED FOR PARTICIPATION LEADER OF GROUP FOUND HIDING IN VATICAN PAPAL GUARD Before his death Abraham Lincoln made the following statements to his trusted staff It is not against the Americans of the South alone that I am fighting it is even more against THE POPE OF ROME and his perfidious Jesuits and their blind and blood thirsty slaves that we have to defend ourselves The Jesuits have not yet killed me But they would have surely done it when I passed through their most devoted city Baltimore had I not defeated their plans by passing incognito a few hours before they expected me We have the proof that the company which has been selected and organized to murder me was led by a rabid Roman Catholic called Byrne it was almost entirely composed of Roman Catholics more than that there were two disguised priests among them to lead and encourage them Abraham Lincoln And indeed the American Women's Feminist Movement were now linked and involved with the assassination of a sitting President of the United States and with a member of the American Women's Feminist Movement confirmed as guilty and hanged for the assassination of President Abraham Lincoln And then so began the atrocities of the deaths of any elected president that was not a Socialist Democratic and those atrocities and Presidential genocide lasted from 1841 until the final assassination of President Warren Harding in 1923

Upside Down Dan Meyer, 2016-03-28 We the People have had it pretty good since WWII Our prosperity has resulted in our collective apathy toward the corrupt progression of what once were servants of the People into life long career politicians in Washington D C who have become our elite political ruling class Power corrupts and absolute power corrupts absolutely Today in our United States we have an all powerful central government enabled by a subservient media propelling our nation toward the living hell described in George Orwell's 1984 where truth cannot be found where freedom does not exist Upside Down clearly defines the immediate action We the People can and must take to restore what used to be our government of by and for the people If we choose to continue to sit on the sidelines and not get involved we will transition from apathy to dependence and out of that dependence

will come the bondage from which we rose 239 years ago **The Nation** ,2008 *Congressional Record* United States. Congress,2013 Obama's Nation! Terry L. Cook,2010-03-07 B Hussein Obama The Perfect Manchurian Candidate In the classic 1962 movie thriller The Manchurian Candidate a man was programmed by communist handlers and then emerged into the public arena as a hero with a largely manufactured history large parts of which were either obscured or changed Then he was planted into a position of great influence having been programmed to usher in tremendous change at the appointed time Likewise B Hussein Obama was programmed for years by his atheist Muslim communist sex pervert father Frank Marshall Davis and by con man Tony Rezko also domestic terrorist Bill Ayers and many others including his so called Pastor black liberation theology screamer Jeremiah Wright Obama s resume is largely manufactured There is a total blackout on his college years His campaign obscured what he did as a community organizer All his radical associations have been denied or minimized His miserable legislative record voting present over 100 times to avoid taking a stand his lack of achievement his radical views and so on all have been laundered through the magic of public relations into the near sacred saga of The One who has been sent to serve and to save America God help us as our days as a free Republic are truly numbered **Obama's Change: Communism in America** , **Obama's Four Horsemen** David Harsanyi,2013-03-04 Conquest Famine War Death the four horsemen are coming in the form of the national debt widespread dependence on government turmoil in the Middle East and the expansion of the bureaucratic state In Obama s Four Horsemen syndicated columnist David Harsanyi takes a provocative look at how the Obama Administration allowed four big problems to mushroom into looming disasters we can no longer avoid or postpone In his famous conversational fact driven and humorous tone Harsanyi argues that President Obama s handling of both domestic and foreign crises has set the stage for a disaster of Biblical proportions Under Obama America has become a land of more dependence more hand outs more federal programs and more government agencies The great danger is that Americans have gotten used to it Many people today expect as a matter of fact that the government will hand them health insurance student loans birth control and anything else they might need or desire while they are increasingly numb to the pernicious creep of the bureaucratic state and the alarming escalation of unsustainable spending and debt Meanwhile powerful forces abroad seek to destroy American and Western culture while Obama has sat on his thumbs and looked the other way tossing out politically correct platitudes when asked about his response to their open threats and aggression America is facing a time of great upheaval domestic and global Obama s Four Horseman is a provocative expose on how we got here and a chilling prediction of what s to come Radical-in-Chief Stanley Kurtz,2010-10-19 President Barack Obama surprised many voters during a pre election interview when he approvingly noted that Ronald Reagan had changed the trajectory of America in a way that other presidents had not In effect Obama was saying that he too aimed to transform America in some fundamental way Yet while Americans in 1982 may have been divided over Reagan s politics at least they knew what he stood for Do we really understand Obama s vision for our

country In his controversial new book veteran journalist Stanley Kurtz culls together two years of investigations from archives and never before tapped sources to present an exhaustively researched expos of President Obama s biggest secret the socialist convictions and tactical ruthlessness he has long swept under the rug A personable figure a thoughtful politician and an inspiring orator Obama has hidden his core political beliefs from the American people sometimes by directly misrepresenting his past and sometimes by omitting or parceling out damaging information to disguise its real importance The president presents himself as a post ideological pragmatist yet his current policies grow directly from the nexus of socialist associates and theories that has shaped him throughout his adult life Kurtz makes an in depth exploration of the president s connections to radical groups such as ACORN UNO of Chicago the Midwest Academy and the Socialist Scholars Conferences He explains what modern stealth socialism is how it has changed and how it continues to influence the Democratic Party He sheds light on what the New York Times called a lost chapter of the president s life his years at Columbia and proves that Obama s youthful infatuation with socialism was not just a phase Those ideas have shaped his political views and set the groundwork for the long term strategy of his administration It could be argued that Obama s past no longer matters but in a sense it matters more than the present Obama has adopted the gradualist socialist strategy of his mentors seeking to combine comprehensive government regulation of private businesses with a steadily enlarging public sector Eventually in his hands capitalist America could resemble a socialist inspired Scandinavian welfare state The gap between inner conviction and public relations in Obama s case is vastly wider than for most American politicians If Americans understood in 2008 the facts Kurtz reveals in this shocking political biography Obama would not be president today The fears of his harshest critics are justified our Commander in Chief is a Radical in Chief *The Roots of Obama's Rage* Dinesh D'Souza,2011-10-03 Critics of President Obama have attacked him as a socialist an African American radical a big government liberal But somehow the critics have failed to reveal what s truly driving Barack Obama Now bestselling author Dinesh D Souza throws out these misplaced attacks in his new book *The Roots of Obama's Rage* The reason explains D Souza that Obama appears to be working to destroy America from within is found as Obama himself admits in *The Dreams of His Father* a deeply hostile anti colonialism Instilled in him by his father this worldview has led President Obama to resent America and everything for which we stand Viewing Obama through this anti colonialism prism and drawing evidence from President Obama s own life and writings D Souza masterfully shows how Obama is working to weaken and punish America here and abroad Observations and Opinions from an Average American Citizens about This Obama Nation Abomination Jonathan Gary,2013-09-01 I used to be a low information citizen but when I opened my eyes and realized what was going on with our government especially in the Obama administration I felt the need to speak out and express my feelings and opinions about this administration and it s unconstitutional actions and the failures therein Our Nation is systematically being torn apart one brick at a time the racism the embracing of terrorist groups the excusing of terrorist acts the

exponential growth of the deficit the unraveling of the spiritual fabric of this Nation the condemning of patriotism and the scarcity of morality I have never written anything before but I feel strongly about the decay of our Nation s Constitutional foundation and fear for my children s future *First Family: The Obamas* , Barack Obama s story inspired a nation but you ve never seen it told like this Pick up this wildly entertaining and factual look at the life of our 44th president Then flip the book and read about the newest 1st Lady Michelle Obama A mother political force and now the new first lady it s obvious that Michelle Obama has lived a life many have only dreamed of This special edition comic book features the first family biographies now together for the first time in this 48 page one shot **Trickle Down Tyranny** Michael Savage,2013-03-26 A blazing flamethrower of truth Michael Savage pulls no punches and goes right for the jugular with facts not vacuous hyperbole Ted Nugent Washington Times Michael Savage the mega popular radio host and New York Times bestselling author of Trickle Up Poverty offers an explosive election year call to arms to retake the White House from the clutches of tyranny and preserve American greatness Staunchedly determined to help crush Barack Obama s dreams of a Socialist America Savage unleashes a relentless barrage of conservative common sense in Trickle Down Tyranny designed to help patriotic citizens preserve what is good and right in our imperiled nation
