Object Lesson Abraham Issac:

Christ's Object Lessons—Illustrated Ellen G. White, 1941 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God s loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ s parables are links in the chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life Christ's Object Lessons Ellen G. White, 1900 This is an attractive grouping of the parable teaching of Christ It links divine truth with common things and incidents which is a prominent characteristic of Him who taught as never man taught In this book the author has developed and illustrated in a beautiful way Christ s teachings An excellent book for Sabbath school teachers and all who wish to know Christ s method of teaching Teaching in Parables The Sower Growth by God s Power The Tares A Grain of Mustard Seed Other Lessons from Seed Sowing Like Unto Leaven Hidden Treasure The Pearl of Great Price The Net Things New and Old Asking to Give Two Worshipers The Power of Prayer This Man Receiveth Sinners The Prodigal Son The Barren Fig Tree Into the Highways and Hedges The Measure of Forgiveness Gain that is Loss The Rich Man and Lazarus Saying and Doing The Lord s Vinyard Without a Wedding Garment Talents The Mammon of Unrighteousness Who Is My Neighbor The Reward of Grace The Ten Virgins The Marriage Feast poetry Scriptural Index General Index **Ancient World: Lesson Overviews, 5th ed.** , The Long-Expected Jesus Rick Thompson, 2016-03-07 The Long Expected Jesus explores the many ways the Old Testament leads us to Jesus Why is this important First because many followers of Jesus have a limited understanding of the relationship between the Old and New Testament and how all the scriptures not just the New Testament point to the good news of the Gospel Second this book will greatly enhance the experience of Advent in preparation for the Christmas season With twenty five short chapters one for each day of Advent the book is intended to be read one chapter at a time beginning December 1 and culminating on Christmas day Readers will discover how to read the
