## **Occupy World Street A Global Roadmap For Radical Economic And Political Reform:**

Occupy World Street Ross Jackson,2012-01-31 Ordinary citizens the world over have long paid the price for the swashbuckling behavior of the corporate and political elite We ve seen the reigning establishment widen the gap between rich and poor champion endless growth on a finite planet wreak havoc on developing nations and ravage ecosystems in a mad race for natural resources Now as demonstrators worldwide demand change Occupy World Street offers a sweeping vision of how to reform our global economic and political structures break away from empire and build a world of self determining sovereign states that respect the need for ecological sustainability and uphold human rights In this refreshingly detailed plan Ross Jackson shows how a handful of small nations could take on a leadership role create new alliances new governance and new global institutions and in cooperation with grassroots activists pave the way for other nations to follow suit Occupy World Street J. T. Ross Jackson,2012 Occupy World Street offers a sweeping vision of how to reform our global economic and political structures break away from empire and build a world of self determining sovereign states that respect the need for ecological sustainability and uphold human rights **2052** Jørgen Randers,Jorgen Randers,2012-05-30 What Will Our Future Look Like We know what we want the world to be like in forty years We know what the world could be like in forty years if we all did what needs to be done to create a more sustainable future The New Feminist Agenda Madeleine Kunin,2012 Looking back over five decades of advocacy Kunin charts the course for the next feminist revolution one that mobilizes women and men to call for the kind of policies that can improve the lives of women and strengthen their families

**Good Morning, Beautiful Business** Judy Wicks,2013-03-07 It s not often that someone stumbles into entrepreneurship and ends up reviving a community and starting a national economic reform movement But that s what happened when in 1983 Judy Wicks founded the White Dog Caf on the first floor of her house on a row of Victorian brownstones in West Philadelphia After helping to save her block from demolition Judy grew what began as a tiny muffin shop into a 200 seat restaurant one of the first to feature local organic and humane food The restaurant blossomed into a regional hub for community and a national powerhouse for modeling socially responsible business Good Morning Beautiful Business is a memoir about the evolution of an entrepreneur who would not only change her neighborhood but would also change her world helping communities far and wide create local living economies that value people and place as much as commerce and that make communities not just interesting and diverse and prosperous but also resilient Wicks recounts a girlhood coming of age in the sixties a stint working in an Alaska Eskimo village in the seventies her experience cofounding the first Free People store her accidental entry into the world of restaurateering the emergence of the celebrated White Dog Caf and her eventual role as an international leader and speaker in the local living economies movement Her memoir traces the roots of her career exploring what it takes to marry social change and commerce and do business differently Passionate fun and inspirational Good Morning Beautiful Business explores the way women and men can follow both mind and heart do what s

right and do well by doing good      **Local Dollars, Local Sense** Michael Shuman, 2012 Local Dollars Local Sense is a guide to creating Community Resilience Americans long term savings in stocks bonds mutual funds pension funds and life insurance funds total about 30 trillion But not even 1 percent of these savings touch local small business even though roughly half the jobs and the output in the private economy come from them So how can people increasingly concerned with the poor returns from Wall Street and the devastating impact of global companies on their communities invest in Main Street In Local Dollars Local Sense local economy pioneer Michael Shuman shows investors including the nearly 99% who are unaccredited how to put their money into building local businesses and resilient regional economies and profit in the process A revolutionary toolbox for social change written with compelling personal stories the book delivers the most thorough overview available of local investment options explains the obstacles and profiles investors who have paved the way Shuman demystifies the growing realm of local investment choices from institutional lending to investment clubs and networks local investment funds community ownership direct public offerings local stock exchanges crowdfunding and more He also guides readers through the lucrative opportunities to invest locally in their homes energy efficiency and themselves A rich resource for both investors and the entrepreneurs they want to support Local Dollars Local Sense eloquently shows how to truly protect your financial future and your community s      *Global Chorus* Todd MacLean, 2014 An illustrated collection of 365 daily meditations surrounding crucial themes relating to the current global environmental and social crises      **Progressive Community Organizing** Loretta Pyles, 2013-07-24 The second edition of Progressive Community Organizing offers a concise intellectual history of community organizing and social movements while also providing practical tools geared toward practitioner skill building Drawing from social constructionist feminist and critical traditions Progressive Community Organizing affirms the practice of issue framing and offers two innovative frameworks that will change the way students of organizing think about their work Progressive Community Organizing is ideal for both undergraduate and graduate courses focused on community theory and practice community organizing community development and social change and service learning The second edition presents new case studies including those of a welfare rights organization and a youth led LGBTQ organization There are also new sections on the capabilities approach queer theory the Civil Rights movement and the practices of self inquiry and non violent communication Discussion of global justice has been expanded significantly and includes an account of a transnational action research project in post earthquake Haiti Each chapter contains discussion questions written and web resources and a list of key terms a full free access companion website is also available for the book      **Crimes of Globalization** Dawn Rothe, David O. Friedrichs, 2014-07-11 This book addresses immensely consequential crimes in the world today that to date have been almost wholly neglected by students of crime and criminal justice crimes of globalization This term refers to the hugely harmful consequences of the policies and practices of international financial institutions principally in the global South A case is made for characterizing these policies and

practices specifically as crime Although there is now a substantial criminological literature on transnational crimes crimes of states and state corporate crimes crimes of globalization intersect with but are not synonymous with these crimes Identifying specific reasons why students of crime and criminal justice should have an interest in this topic this text also identifies underlying assumptions defines key terms and situates crimes of globalization within the criminological enterprise The authors also define crimes of globalization and review the literature to date on the topic review the current forms of crimes of globalization outline an integrated theory of crimes of globalization and identify the challenges of controlling the international financial institutions that perpetrate crimes of globalization including the role of an emerging Global Justice Movement The authors of this book have published widely on white collar crime crimes of states state corporate crime and related topics This book will be essential reading for academics and students of crime and criminal justice who the authors argue need to attend to emerging forms of crime that arise specifically out of the conditions of globalization in our increasingly globalized rapidly changing world

**The Capitalism Papers** Jerry Mander, 2013-05-01 In the vein of his bestseller *Four Arguments for the Elimination of Television* nationally recognized social critic Jerry Mander researches discusses and exposes the momentous and unsolvable environmental and social problem of capitalism Mander argues that capitalism is no longer a viable system What may have worked in 1900 is calamitous in 2010 Capitalism utterly dependent on never ending economic growth is an impossible absurdity on a finite planet with limited resources Climate change together with global food water and resource shortages are only the start Mander draws attention to capitalism's obsessive need to dominate and undermine democracy as well as to diminish social and economic equity Designed to operate free of morality the system promotes permanent war as a key economic strategy Worst of all the problems of capitalism are intrinsic to the form Many organizations are already anticipating the breakdown of the system and are working to define new hierarchies of democratic values that respect the carrying capacities of the planet

**Criminal Justice in International Society** Willem de Lint, Marinella Marmo, Nerida Chazal, 2014-01-03 This book adopts a critical criminological approach to analyze the production representation and role of crime in the emerging international order It analyzes the role of power and its influence on the dynamics of criminalization at an international level facilitating an examination of the geopolitics of international criminal justice Such an approach to crime is well developed in domestic criminology however this critical approach is yet to be used to explore the relationship between power crime and justice in an international setting This book brings together contrasting opinions on how courts prosecutors judges NGOs and other bodies act to reflexively produce the social reality of international justice In doing this it bridges the gaps between the fields of sociology criminology international relations political science and international law to explore the problems and prospects of international criminal justice and illustrate the role of crime and criminalization in a complex evolving and contested international society

**Democracy in Crisis** Bert Preiss, Claudia Brunner, 2013 This is the annual edited volume in the Austrian Study Center for Peace and Conflict

Resolution ASPR publication series which addresses urgent issues surrounding the current crisis of democracy and the potential consequences and possibilities for civic protest and civic resistance This latest volume has two novelties for the first time it is published in English and it is edited by the ASPR in cooperation with the partner institutions of the recently formed Conflict Peace and Democracy Cluster CPDC the Center for Peace Research and Peace Education at the Alps Adriatic University of Klagenfurt Celovec the Institute of Conflict Research Vienna and the Democracy Center Vienna Series Dialog Contributions to Peace Research Vol 65 Ageism in Youth Studies Gayle Kimball,2017-05-11 Ageism is prevalent in a great deal of current scholarship in the social sciences as scholars fault youth for being delinquent or politically apathetic Researchers ignore young people s actual voices despite their leadership in recent global uprisings some of which unseated entrenched dictators Neoliberalism must be exposed in its focus on youth sub cultures and styles rather than economic barriers caused by growing inequality and rising youth unemployment rates Ageism in Youth Studies also discusses the debate about Generation We or Me and if Millennials are narcissistic Resources about global youth studies are included along with the results of the author s surveys and interviews with over 4 000 young people from 88 countries Warlords, Inc Noah Raford,Andrew Trabulsi,2015 A cutting edge examination of new types of political actors who emerge in a world of drug cartels and transnational criminal organizations Leading experts chart the changing geopolitical landscape as the world s elaborate but fragile political systems become increasingly vulnerable to breakdown and deliberate disruption *Crimes of the Powerful* Dawn Rothe,David Kauzlarich,2016-03-31 As politicians and the media perpetuate the stereotype of the common criminal crimes committed by the powerful remain for the most part invisible or are reframed as a bad decision or a rare mistake This is a topic that remains marginalized within the field of criminology and criminal justice yet crimes of the powerful cause more harm perpetuate more inequalities and result in more victimization than street crimes Crimes of the Powerful An introduction is the first textbook to bring together and show the symbiotic relationships between the related fields of state crime white collar crime corporate crime financial crime organized crime and environmental crime Dawn L Rothe and David Kauzlarich introduce the many types of crimes methodological issues associated with research theoretical relevance and issues surrounding regulations and social controls for crimes of the powerful Themes covered include media culture and the Hollywoodization of crimes of the powerful theoretical understanding and the study of the crimes of the powerful a typology of crimes of the powerful with examples and case studies victims of the crimes of the powerful the regulation and resistance of elite crime An ideal introductory text for both undergraduate and postgraduate students taking modules on the crimes of the powerful white collar crime state crime and green criminology this text includes chapter summaries activities and discussion questions and lists of additional resources including films websites and additional readings **Economic Theology** Philip Goodchild,2020-06-23 In Economic Theology Goodchild offers a philosophical analysis of the contemporary economy in terms of the way it structures credit and faith The Great Financial Crisis of 2007

and onwards has exposed the extent to which the economy functions as a network of credits and debts Credit and debt may now be understood as the driving force of economic behaviour In this analysis economic theories of markets and money are also ways of ordering trust Similarly the institutions of money finance and banking provide the framework enabling trust and cooperation Goodchild explores how reliance on such theories and institutions produces disequilibrium dynamics growing inequalities increasing enclosure resource depletion and breakdown Nevertheless the failures of the system only intensify efforts to extend the system itself Building on and extending Goodchild's Theology of Money the author exposes the extent to which humanity has become enslaved within theories and institutions of its own making As the second volume in his Credit and Faith trilogy Goodchild explains how the economy itself is a way of shaping time and attention care and evaluation trust and cooperation so directly assuming a theological role This volume extends the theological critique of the dynamics of financial capitalism
