Massively Multiplayer Online Role-Playing Games R.V. Kelly 2, 2014-11-04 This book is about the fastest growing form of electronic game in the world the Massively Multiplayer Online Role Playing Game MMORPG. The evolution of these self-contained three-dimensional virtual worlds often inhabited by thousands of players is described here. This work also delves into the psychology of the people who inhabit the game universe and explores the development of the unique cultures, economies, moral codes and slang in these virtual communities. It explains how the games are built, the spin-offs that players create to enhance their game lives and peeks at the future of MMORPGs as they evolve from a form of amusement to an educational, scientific and business tool. Based on hundreds of interviews over a three-year period, the work explores reasons people are attracted to and addicted to these games. It also surveys many existing and upcoming games, identifying their unique features and attractions. Two appendices list online addiction organizations and MMORPG information sites.

The Valley of the Shadow Christopher Gilpin, 2016-02-16 The title of this book reflects a time in my life when I was surrounded by death and the possibility of not making the return journey home from combat in Iraq in 2005 2006 I felt a deep obligation to tell my two and a half year old daughter Chrisraine about the boy that I was and the soldier that I became should I not make it back home to tell her in person This book chronicles my childhood beginning with my first indelible memory at age four describing the people places and events that molded me into the man and soldier that I became until my son Christophe turned four years old Valley of the Shadow was an easy choice as the title for me because of the biblical and literal connection to me as I experienced combat and lived in a space and time defined by death and the will to overcome that fear That shadow was ever present and I fought hard and willed myself not to be engulfed by it I was much more to my family than a soldier and I wanted my daughter to know the boy that I was and what made me into the soldier that I became This journey was filled with periods of joy and great happiness as well as uncertainty and sadness as a boy and much the same as a soldier I excelled at the things that I applied myself to but was always challenged to perform in order to continue receiving the pleasures of everyday life or to survive a day in combat So both my childhood and my profession were valleys oftentimes reflecting low points and high points with a sense of duty to survive and overcome the day at hand

Shadow State Alan White, 2016-06-09 Every year the British government spends 80 billion outsourcing public services Today private companies are responsible for fulfilling some of the most sensitive and important roles of the state running prisons and providing healthcare transport legal aid even child protection These organizations have been handed enormous amounts of power and yet for the most part they operate with no transparency or accountability From deportations to NHS cutbacks Alan White exposes what goes wrong when the invisible hand of the market is introduced into public services Informed by exclusive interviews with senior managers campaigners and whistle blowers Shadow State is the first book to examine the controversial phenomenon of government outsourcing Not only does White provide the full story behind scandals involving G4S Serco and ATOS but he also reveals previously unknown cases of system failure in areas such as social care welfare and justice The picture that develops is deeply troubling

In the Shadow of Boone and Crockett Ian C. Hartman, 2024-01-12 Well researched and well argued provocative and imaginative In the Shadow of Boone and Crockett examines the image of the pure Appalachian Anglo Saxons who furnished hope for the future and the less flattering image of the degenerate poverty stricken mountaineers with blood on their hands In a wide ranging exploration that reaches from Teddy Roosevelt to JFK Ian C Hartman examines the idea of Appalachian

exceptionalism over time and what that has meant for the region and for America James C Klotter state historian of Kentucky and professor of history Georgetown College Extending from the southern Appalachians through the rolling hills of Kentucky and Tennessee to the Ozarks of Arkansas and Missouri the upland South emerged in American lore as the setting where Daniel Boone David Crockett and other rugged frontiersmen forged a modern nation and headed west to become the progenitors of what some viewed as a new and superior American race Others however saw this region as the breeding ground of poor debased whites the hillbillies and white trash of popular stereotypes These conflicting identities have long dominated public discourse about the region as well as fostered a deep fascination with it In this compelling study part political and part cultural history Ian C Hartman probes the late nineteenth century context from which this paradox arose and the array of personalities expressions and policies that sought to resolve it or at least make sense of it in the decades that followed He begins by investigating the writings of race theorists including future president Theodore Roosevelt whose multivolume *The Winning of the West* 1889 96 furthered the tale of a heroic and distinctly American stock who with axe and rifle conquered a continent Hartman relates these myths to the rise of the early twentieth century eugenics movement which sought to regenerate and purify a once proud but now impoverished and degraded people through policies that included forced sterilization to weed out imbeciles Hartman goes on to showcase the surprising ways in which the contradictory identity of the upland South affected broader national debates about imperialism crime and punishment poverty and inequality and the growth and decline of the postwar welfare state Whether considering the racial implications of a 1930s Appalachian folk festival the stereotypical but often sympathetic portrayals of rural southerners in sitcoms like *The Beverly Hillbillies* and *The Andy Griffith Show* or the shifting perceptions of President Lyndon B Johnson's War on Poverty In the Shadow of Boone and Crockett is a consistently provocative book that invites readers to ponder a fresh set of ideas about America's race history that have shown remarkable traction for more than a century Ian C Hartman is an assistant professor of history at the University of Alaska Anchorage His articles and reviews have appeared in the *Journal of Southern History* *Cultural Studies* *Critical Methodologies* *Appalachian Journal* and *Multicultural America* A Multimedia Encyclopedia among other publications

reprogram him into a Shadow State powerhouse operative to carry out a series of missions to accelerate the Shadow State's hostile takeover of the world forming a New World Order. EJFS Agents Abhu and Singh form romantic relationships with fellow agents Durga and Gangi respectively. They enjoy a relaxing vacation at Singh's beachfront villa in Savannah, Georgia. Little did they know both agents were bound to be called back into intense action in the field as they work together to prevent a global catastrophe from imperiling the world. An intense lead up to a contentious presidential election builds as an administration rife with corruption and questionable practices threatens the stability of the US amid the upcoming political season. EJFS Chief Commander Khali leads the charge to bring down the Shadow State and all of those involved. His second in command Raj backs him up as they deploy teams to various locations in Europe to capture the Shadow State leader and secure the necklace of Vritra. The effort encounters difficulty as an evil tech giant Jagmohan Gyan geoengineers a monstrous hurricane to impact the nation before Election Day. Can Abhu, Singh, and the rest of the EJFS expose and prevent the Shadow State from toppling the free world? The journey spans the globe in multiple locations including Atlanta, Georgia, New York, Washington D.C., Hungary, Switzerland, Poland, and Belgium.
