

The background is a green-tinted illustration. In the upper half, a large flock of birds, possibly seagulls, is shown in flight against a lighter green sky. Below them, a dark green, rounded hill or island rises from the water. At the base of the hill, a small white building with a dark roof is visible. The foreground shows the dark, choppy water of the sea.

Life After Power Jared Cohen, 2024-02-13 This informative highly readable The Wall Street Journal New York Times bestselling book from the author of the bestseller Accidental Presidents explores what happens after the most powerful job in the world President of the United States Former presidents have an unusual place in American life King George III believed that George Washington's departure after two terms made him the greatest character of the age But Alexander Hamilton worried former presidents might wander among the people like ghosts They were both right Life After Power tells the stories of seven former presidents from the Founding to today Each changed history Each offered lessons about how to decide what to do in the next chapter of life This book follows the exceptional lives of past presidents including Thomas Jefferson whose time after the White House saw him shaping public debates and founding the University of Virginia an accomplishment he included on his tombstone unlike his presidency John Quincy Adams who served in Congress and became a leading abolitionist passing the torch to Abraham Lincoln Grover Cleveland who was the only president in American history to serve a nonconsecutive term William Howard Taft who became Chief Justice of the Supreme Court Herbert Hoover who shaped the modern conservative movement led relief efforts after World War II reorganized the executive branch and reconciled John F Kennedy

and Richard Nixon Jimmy Carter who had the longest post presidency in American history advancing humanitarian causes human rights and peace George W Bush who made a clean break from politics bringing back George Washington's precedent and reminding the public that the institution of presidency is bigger than any person Jared Cohen explores the untold stories in the final chapters of these presidents' lives offering a unique and fascinating look at how seven individuals made the transition from the most powerful position in the world to consequential and fulfilling lives post presidency Condoleezza Rice 66th Secretary of State He tells how they handled very human problems of ego finances and questions about their legacy and mortality He shows how these men made history after they left the White House

The Best of Emerge Magazine George E. Curry, Brenda L. Webber, Sylvester Monroe, Les Payne, 2009-02-19 The 1990s African Americans achieved more influence and faced more explosive issues than ever before One word captured those times One magazine expressed them Emerge In those ten years with an impressive circulation of 170 000 and more than forty national awards to its credit Emerge became a serious part of the American mainstream Time hailed its uncompromising voice The Washington Post declared that Emerge gets better with each issue Then after nearly a decade Emerge magazine closed its doors Now for the first time here's a collection of the finest articles from a publication that changed the face of African American news From the Clarence Thomas nomination to the Bill Clinton impeachment from the life of Louis Farrakhan to the death of Betty Shabazz from reparations for slavery to the rise of blacks on Wall Street the most important people topics and turning points of this remarkable period are featured in incisive articles by first rate writers Emerge may have ended with the millennium but as this incomparable volume proves the quality of its coverage is still unequalled the extent of its impact still emerging Stirring tribute uncanny time capsule riveting read The Best of Emerge Magazine is also the best of American journalism

Seeing Atrocities Paul Morrow, Visiting Research Fellow School of Philosophy Paul Morrow, 2025 In Seeing Atrocities Paul Morrow shows how visual encounters with atrocities occur and considers how we ought to respond to them Informed by cutting edge scholarship the book will find readers among lawyers and policymakers educators and curators journalists and human rights advocates The author's arguments are supported by 24 striking illustrations including satellite images Old Master paintings classical sculptures and humanitarian photographs In a world where visual encounters with atrocities have become unavoidable Seeing Atrocities promises to serve as an essential guide

Pragmaticism Ahti-Veikko Pietarinen, 2024-05-06 In three comprehensive volumes divided into five books Logic of the Future presents a full panorama of Charles S Peirce's important late writings Among the most influential American thinkers Peirce took his existential graphs to be his greatest contribution to human thought The manuscripts and letters from 1895 1913 most of which are published here for the first time testify the richness and open endedness of his theory of logic and its applications They also invite us to reconsider our ordinary conceptions of reasoning as well as the conventional stories told about the evolution of modern logic This first part of the third volume Volume 3 1 of the Logic of the Future series contains Peirce's 1904 1909 writings on his mature philosophy of

pragmaticism which is grounded upon the principles of logical analysis as provided by existential graphs *Women and Capital Punishment in the United States* David V. Baker, 2015-11-26 The history of the execution of women in the United States has largely been ignored and scholars have given scant attention to gender issues in capital punishment This historical analysis examines the social political and economic contexts in which the justice system has put women to death revealing a pattern of patriarchal domination and female subordination The book includes a discussion of condemned women granted executive clemency and judicial commutations an inquiry into women falsely convicted in potentially capital cases and a profile of the current female death row population **Nature and Value** Akeel Bilgrami, 2020-01-28 Today as we confront an unprecedented environmental crisis of our own making it is more urgent than ever to consider the notion of nature and our place within it This book brings together essays that individually and as a whole present a detailed and rigorous multidisciplinary exploration of the concept of nature and its wider ethical and political implications A distinguished list of scholars take up a broad range of questions regarding the relations between the human subject and its natural environment when and how the concept of nature gave way to the concept of natural resources the genealogy of the concept of nature through political economy theology and modern science the idea of the Anthropocene the prospects for green growth and the deep alienation of human beings in the modern period from both nature and each other By engaging with a wide range of scholarship they ultimately converge on a common outlook that is both capacious and original The essays together present a revaluation of the natural world that seeks to reshape political and ethical ideals and practice with a view to addressing some of the fundamental concerns of our time *Nature and Value* features widely known scholars in a broad swath of disciplines ranging from philosophy politics and political economy to geology law literature and psychology They include Jonathan Schell David Bromwich James Tully Jedediah Purdy Robert Pollin Jan Zalasiewicz Carol Rovane Sanjay Reddy Joanna Picciotto Anthony Laden Nikolas Kompridis Bina Gogineni Kyle Nichols and the editor Akeel Bilgrami **A table for one** Kinneret Lahad, 2017-08-11 This electronic version has been made available under a Creative Commons BY NC ND open access license *Table for one* A critical reading of singlehood gender and time is the first book to consider the profound relationship between singlehood and time Drawing on a wide range of cultural resources including web columns blogs advice columns popular click s advertisements and references from television and cinema the author challenges the conventional meaning making processes of singlehood and time Lahad s analysis gives us the opportunity to explore and theorize singlehood through varied temporal concepts such as waiting wasting timeout age the life course linearity and commodification of time This unique analytical approach enables the fresh consideration of some of our dominant perceptions about collective clocks schedules time tables and the temporal organization of social life in general **Unwarranted** Barry Friedman, 2017-02-21 At a time when policing in America is at a crossroads Barry Friedman provides much needed insight analysis and direction in his thoughtful new book *Unwarranted* illuminates many of the often ignored issues surrounding how we police in America and

highlights why reform is so urgently needed This revealing book comes at a critically important time and has much to offer all who care about fair treatment and public safety Bryan Stevenson founder and Executive Director of the Equal Justice Initiative and author of *Just Mercy A Story of Justice and Redemption* In June 2013 documents leaked by Edward Snowden sparked widespread debate about secret government surveillance of Americans Just over a year later the shooting of Michael Brown a black teenager in Ferguson Missouri set off protests and triggered concern about militarization of law enforcement and discriminatory policing In *Unwarranted* Barry Friedman argues that these two seemingly disparate events are connected and that the problem is not so much the policing agencies as it is the rest of us We allow these agencies to operate in secret and to decide how to police us rather than calling the shots ourselves And the courts which we depended upon to supervise policing have let us down entirely *Unwarranted* tells the stories of ordinary people whose lives were torn apart by policing by the methods of cops on the beat and those of the FBI and NSA Driven by technology policing has changed dramatically Once cops sought out bad guys today increasingly militarized forces conduct wide surveillance of all of us Friedman captures the eerie new environment in which CCTV location tracking and predictive policing have made suspects of us all while proliferating SWAT teams and increased use of force have put everyone's property and lives at risk Policing falls particularly heavily on minority communities and the poor but as *Unwarranted* makes clear the effects of policing are much broader still Policing is everyone's problem Police play an indispensable role in our society But our failure to supervise them has left us all in peril *Unwarranted* is a critical timely intervention into debates about policing a call to take responsibility for governing those who govern us John Clare Society Journal, 17 (1998) Tom Paulin, Peter Cox, Louise Sylvester, Gary Harrison, Mary Moyse, Hugh Haughton, Bridget Keegan, The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare *Introduction to Recreation and Leisure* Human Kinetics (Organization), 2013 *Introduction to Recreation and Leisure* Second Edition is a textbook designed for an initial undergraduate course in a recreation and leisure program With its 21st century views of recreation and leisure services it incorporates indicators for future directions in the field and presents international perspectives as well as career opportunities in recreation and leisure A new web resource is included Handbook of Religion and Health Harold G. Koenig, Tyler J. VanderWeele, John R. Peteet, 2024 Beginning with a Foreword by Dr Howard K Koh former US Assistant Secretary for Health for the Department of Health and Human Services this volume examines almost every aspect of health reviewing past and more recent research on the relationship between religion and health outcomes **Small Business Sourcebook**, 2005 A guide to the information services and sources provided to 100 types of small business by associations consultants educational programs franchisers government agencies reference works statisticians suppliers trade shows and venture capital firms Souvenir Nation William L. Bird, Jr., 2013-10-22 Buried within the collection of the Smithsonian Institution's National Museum of American History exists an astonishing group of historical relics from the pre Revolutionary

War era to the present day many of which have never been on display Donated to the museum by generations of souvenir collectors these ordinary objects of extraordinary circumstance all have amazing tales to tell about their roles in American history Souvenir Nation presents fifty of the museum s most eccentric items Objects include a chunk broken off Plymouth Rock a lock of Andrew Jackson s hair a dish towel used as the flag of truce to end the Civil War the microphones used by FDR for his Fireside Chats and the chairs that seated Nixon and Kennedy in their 1960 television debate **African Farming and Food Processing** ,1997
