Romanticism and the Rise of English Andrew Elfenbein, 2008-10-30 Named a CHOICE Outstanding Academic Title for 2009 Romanticism and the Rise of English addresses a peculiar development in contemporary literary criticism the disappearance of the history of the English language as a relevant topic Elfenbein argues for a return not to older modes of criticism but to questions about the relation between literature and language that have vanished from contemporary investigation His book is an example of a kind of work that has often been called for but rarely realized a social philology that takes seriously the formal and institutional forces shaping the production of English This results not only in a history of English but also in a recovery of major events shaping English studies as a coherent discipline This book points to new directions in literary criticism by arguing for the need to reconceptualize authorial agency in light of a broadened understanding of linguistic history

Multilingualism in the Drama of Shakespeare and his Contemporaries Dirk Delabastita, Ton Hoenselaars, 2015-06-24 No literary tradition in early modern Europe was as obsessed with the interaction between the native tongue and its dialectal variants or with foreign languages and the phenomenon of translation as English Renaissance drama Originally published as a themed issue of English Text Construction 6 1 2013 this carefully balanced collection of essays now enhanced with a new Afterword decisively demonstrates that Shakespeare and his colleagues were far more than just English authors and that their very Englishness can only be properly understood in a broader international and multilingual context Showing a healthy disrespect for customary disciplinary borderlines Multilingualism in the Drama of Shakespeare and his Contemporaries brings together a wide range of scholarly traditions and vastly different types of expertise While several papers venture into previously uncharted territory others critically revisit some of the loci classici of early modern theatrical multilingualism such as Shakespeare s Henry V

Old English Laurel Brinton, Alexander Bergs, 2017-09-25 The volume provides an in depth account of Old English organized by linguistic level Individual chapters investigate the state of the art in the linguistics of Old English and explore key areas of debate such as dialectology language contact standardization and literary language The volume sets the scene with a chapter on pre Old English and ends with a chapter discussing textual resources available for the study of earlier English

Literary History and Avant-Garde Poetics in the Antipodes A. J. Carruthers, 2024-03-05 Avant garde poetry in the Antipodes causes all sorts of trouble for literary history It is an avant garde that seems to arrive too late and yet right on time In 1897 Christopher Brennan made his own version of Un Coup de Des the same year Mallarme published it in Cosmopolis In the 1940s the same period avant gardism was declared dead or fatally injured due to the Ern Malley affair Harry Hooton began writing a significant body of experimental poetry From the 1950s to the 1970s Australian Dada emerged belatedly through figures like Jas H Duke Tristan Tzara had previously sung Aboriginal songs at the Cabaret Voltaire in 1916 First Nations and Migrant poets then began reinventing avant garde poetry in the twentieth and early twenty first centuries This book maintains that such a confounding literary history poses a distinct challenge to the theories of the avant gardes we have become accustomed to and changes our perspective of avant garde time

The Circulation of Poetry in Manuscript in Early Modern England Arthur F. Marotti, 2021-05-26 This study examines the transmission and compilation of poetic texts through manuscripts from the late Elizabethan era through the mid seventeenth century paying attention to the distinctive material social and literary features of these documents The study has two main focuses the first the particular social environments in which texts were compiled and second the presence within this system of a large body of usually anonymous rare or unique poems Manuscripts from aristocratic academic and urban professional environments are examined in separate chapters that highlight particular collections Two chapters consider the social networking within the university and London that facilitated the transmission within these environments and between them Although the topic is addressed throughout the study the place of rare or unique poems in manuscript collections is at the center of the final three chapters The book as a whole argues that scholars need to pay more attention to the social life of texts in the period and to little known or unknown rare or unique poems that represent a field of writing broader than that defined in a literary history based mainly on the products of print culture

Constructing Chaucer G. Gust, 2009-05-25 This book examines the scholarly construction of Geoffrey Chaucer in different historical eras and challenges long standing assumptions to enhance the theoretical dialogue on Chaucer s

historical reception **Riddles at work in the early medieval tradition** Megan Cavell, Jennifer Neville, 2020-03-13 Capitalising on developments in the field over the past decade *Riddles at work* provides an up to date microcosm of research on the early medieval riddle tradition The book presents a wide range of traditional and experimental methodologies The contributors treat the riddles both as individual poems and as parts of a tradition but most importantly they address Latin and Old English riddles side by side bringing together texts that originally developed in conversation with each other but have often been separated by scholarship Together the chapters reveal that there is no single right way to read these texts but rather a multitude of productive paths This book will appeal to students and scholars of early medieval studies It contains new as well as established voices including Jonathan Wilcox Mercedes Salvador Bello and Jennifer Neville Disputation Literature in the Near East and Beyond Enrique Jiménez, Catherine Mittermayer, 2020-08-10 Disputation literature is a type of text in which usually two non human entities such as trees animals drinks or seasons try to establish their superiority over each other by means of a series of speeches written in an elaborate flowery register As opposed to other dialogue literature in disputation texts there is no serious matter at stake only the preeminence of one of the litigants over its rival These light hearted texts are known in virtually every culture that flourished in the Middle East from Antiquity to the present day and they constitute one of the most enduring genres in world literature The present volume collects over twenty contributions on disputation literature by a diverse group of world renowned scholars From ancient Sumer to modern day Bahrain from Egyptian to Neo Aramaic including Latin French Middle English Armenian Chinese and Japanese the chapters of this book study the multiple avatars of this venerable text type *Linguistics and Literary History* Anita Auer, Victorina González-Díaz, Jane Hodson, Violeta Sotirova, 2016-10-20 *Linguistics and Literary History* systematically explores the advantages of an inter disciplinary approach within the broad area of English studies It brings together stylistics literary theory and diachronic linguistics in order to explore their interaction at various methodological descriptive and interpretative levels This unique combination makes this volume on historical stylistics an important work for international scholars and postgraduate students working on the interface between literary history and language change both from corpus based and qualitative perspectives The chapters written by leading scholars in these various fields are an appropriate reference work for teaching and research purposes in the areas of stylistics historical linguistics English language and literature corpus linguistics and literary history **The History of British Women's Writing, 1970-Present** Mary Eagleton, Emma Parker, 2016-04-29 This book maps the most active and vibrant period in the history of British women s writing Examining changes and continuities in fiction poetry drama and journalism as well as women s engagement with a range of literary and popular genres the essays in this volume highlight the range and diversity of women s writing since 1970 **English Historical Linguistics. Volume 2** Alexander Bergs, Laurel J. Brinton, 2012-10-01 British Romanticism in European Perspective Steve Clark, Tristanne Connolly, 2015-09-08 What and when is British Romanticism if seen not in island isolation

but cosmopolitan integration with European Romantic literature history and culture The essays here range from poetry and the novel to science writing philosophy visual art opera and melodrama from France and Germany to Italy and Bosnia

The Top Books of the Year Online Cambridge History English Poetry The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Online Cambridge History English Poetry : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
