Experiencing Fictional Worlds Benedict Neurohr,Lizzie Stewart-Shaw,2019-02-15 Experiencing Fictional Worlds is not only the title of this book but a challenge to reveal exactly what makes the experience of literature This volume presents contributions drawing upon a range of theories and frameworks based on the text as world metaphor This text world approach is fruitfully applied to a wide variety of text types from poetry to genre specific prose to children s story books This book investigates how fictional worlds are built and updated how context affects the conceptualisation of text worlds and how emotions are elicited in these processes The diverse analyses of this volume apply and develop approaches such as Text World Theory reader response studies and pedagogical stylistics among other broader cognitive and linguistic frameworks Experiencing Fictional Worlds aligns with other cutting edge research on language conceptualisation in fields including cognitive linguistics stylistics narratology and literary criticism This volume will be relevant to anyone with interests in language and literature   The Chicago Guide to Copyediting Fiction Amy J. Schneider,2023-03-10 A book world veteran offers the first copyediting guide focused exclusively on fiction Although The Chicago Manual of Style is widely used by writers and editors of all stripes it is primarily concerned with nonfiction a fact long lamented by the fiction community In this long awaited book from the publisher of the Manual Amy J Schneider a veteran copyeditor who s worked on bestsellers across a wide swath of genres delivers a companionable editing guide geared specifically toward fiction copyeditors the first book of its type In a series of approachable thematic chapters Schneider offers cogent advice on how to deal with dialogue voice grammar conscious language and other significant issues in fiction She focuses on the copyediting tasks specific to fiction such as tracking the details of fictional characters places and events to ensure continuity across the work and provides a slew of sharp practicable solutions drawn from her twenty five years of experience working for publishers both large and small The Chicago Guide to Copyediting Fiction is sure to prove an indispensable companion to The Chicago Manual of Style and a versatile tool for copyeditors working in the multifaceted landscape of contemporary fiction

Variation and Change in Postcolonial Contexts Rita Calabrese,J. K. Chambers,Gerhard Leitner,2015-10-13 This volume addresses recent issues concerning language change and standardization in postcolonial settings The book brings together experts from North America Africa Asia and the insular areas of Australia and Trinidad and Tobago and discusses aspects of language variation in the emergence of new varieties The approaches range from linguistic diagnostics and related methodologies to the most accredited interpretative theories on the evolution of New Englishes The book includes a section on emerging varieties of English in new media and special focus has been given to those new varieties of Philippine and Nigerian English spoken in a non canonical post colonial context represented by the city of Turin Italy The result is a collection of studies that illuminate issues of language variability from different perspectives in order to contribute to the lengthy debate on language contact diversification speciation and standardization   **Current Projects in Historical Lexicography** John Considine,2010-04-16 Current Projects in Historical Lexicography brings together seven papers by

present and recent editors of historical dictionaries and lexical databases The collection is introduced with an overview of the history of historical lexicography from the ancient world to the present day with particular emphasis on the major nineteenth century dictionaries of German French English Dutch Swedish and Danish and on their successors In the first paper Javier Mart n Arista describes the present state of and the prospects for the Nerthus lexical database of Old English The next two introduce specialized dictionaries of the language of medieval and early modern texts Fernando Tejedo Herrero s comprehensive dictionary of the language of the great thirteenth century lawcode Siete Partidas and Juhani Norri s Dictionary of Medical Vocabulary in English 1375 1530 Marijke Mooijaart s paper discusses the online integration of the four historical dictionaries which cover Dutch from the earliest times to the twentieth century The next two papers Stefan Dollinger on the Dictionary of Canadianisms on Historical Principles and the Bank of Canadian English and Maggie Scott on the Concise Scots Dictionary describe projects to revise twentieth century historical dictionaries as the language varieties which they register evolve Finally Jeremy Bergerson s paper presents a project for an etymologically rich historical dictionary of Afrikaans An appendix to the volume comprises two previously unpublished short documents by Katherine Barber and John Considine which bear on the history of the Dictionary of Canadianisms revision project The contributions to this volume offer a rare set of insights into ongoing lexicographical work addressing both methodological issues such as inclusion criteria and the balance between diachronic and synchronic coverage and practical issues such as publication media and funding
