

ONS VADERLAND

A black and white photograph of a Dutch landscape. In the foreground, there is a body of water, possibly a canal or a pond, with reeds and grasses growing along the banks. In the middle ground, a traditional Dutch windmill stands on the left side, with a small building next to it. Several trees are scattered across the landscape, some leaning in the wind. The background shows a flat horizon under a cloudy sky. The overall scene is a typical representation of the Dutch countryside.
