**Cases Determined in the Supreme Court of Washington** Washington (State). Supreme Court, Arthur Remington, Solon Dickerson Williams, 1921 *The Pyramid Murders* Fiona Veitch Smith, 2024-06-13 This time her intrepid heroine is on the trail of a mystery wrapped in an enigma wrapped in a mummy a beautifully rendered period of Egypt a ripping adventure in the company of a no nonsense heroine Vaseem Khan A night at the museum a dead body and a trail to Cairo Sounds like a case for Miss Clara Vale 1930 Miss Clara Vale chemistry major turned detective is taking a night off from sleuthing to attend the launch party of a new exhibition at the Hancock Museum in Newcastle But when the piece de resistance a rare ornate sarcophagus is finally opened and it turns out the mummy inside it is a fake it looks like there is no rest for Clara after all Later that night she is summoned back to the museum and asked to investigate a series of stolen Egyptian artefacts Using her scientific and forensic prowess Clara with her trusted assistant Bella in tow embarks on a trail that will lead from Newcastle to London and along the river Nile to Cairo But she is not the only person hunting for stolen antiquities and when she uncovers an international smuggling ring with a penchant for murder it becomes clear that Clara s own life is in danger too Can Clara catch the smugglers before they get away with another murder among the pyramids Perfect for fans of Verity Bright Helena Dixon and TE Kinsey Readers are LOVING The Pyramid Murders A delightful cozy mystery that will appeal to readers who enjoy smart and sassy protagonists interesting and not too complicated plots and a whole lot of FUN One of the most entertaining cozies I ve read in a long time NetGalley reviewer The third in this delightful series A great cast of characters set in 1930 a cameo from Agatha Christie what s not to like NetGalley reviewer Well written and filled with detail The characters are vivid and the mystery is very well plotted there isn t a dull moment NetGalley reviewer *Margaret Truman's Undiplomatic Murder* Donald Bain, Margaret Truman, 2014-07-15 After a suicide bomber kills his youngest daughter at an outdoor cafe in Washington D C private investigator Robert Brixton seeks revenge and answers *No Human Involved* Cheryl L. Neely, 2025-01-21 An urgent examination of the invisibility of Black women and girls as victims of targeted killings and the lack of police intervention and media coverage When Black women and girls are targeted and murdered their cases are often categorized by police officers as N H I No Humans Involved Dehumanized and invisible to the public eye they are rarely seen as victims In the United States Black women are killed at a higher rate than any other group of women but their victimhood is not covered by the media and their cases do not receive an adequate level of urgency Utilizing intensive historical research of cases in cities such as Boston Cleveland Chicago Detroit and Los Angeles Cheryl Neely calls attention to serial cases of Black female murder victims and a lack of police action Neely approaches each case and story with detailed care Instead of focusing solely on the killings and the murderers she highlights the lives of the women and girls and their communities that never stopped fighting for justice With media neglect and police indifference Neely argues that because law enforcement is less likely to conduct serious investigations into the disappearances and

homicides of Black women they are particularly vulnerable to become victims Diving deep into the unseen and unheard Neely uses personal interviews court records media reports and analytical data to understand how and why Black women are disproportionately more likely to die from homicide in comparison to their white counterparts Sounding an urgent alarm No Human Involved contends that it is time for Black women's lives to matter not only to their families and communities but especially to those commissioned to protect them
