Opening Act Desperate Pursuit Happiness:

The Hibbert Journal Lawrence Pearsall Jacks, George Dawes Hicks, George Stephens Spinks, Lancelot Austin Garrard, H. L. Short, 1927 A quarterly review of religion theology and philosophy Vice in Ancient Philosophy Karen Margrethe Nielsen, 2024-01-18 Ancient philosophers offer intriguing accounts of vice virtue's bad twin This Element considers injustice and lawlessness in Plato and Aristotle Starting with Socrates paradoxical claim that tyrants and orators do just about nothing they want to do Gorgias 466d e it examines discussions of moral ignorance and corruption of character in Plato's Republic and Aristotle's Nicomachean Ethics Aristotle's account of vice is indebted to Plato's But his claims have confounded critics Why is the vicious agent full of regrets when he acts in accordance with his wish To what extent is vice a form of moral ignorance Why will the unjust man never get what he wants These and other questions yield new insights into ancient Greek ethics and moral psychology as well as surprising perspectives on contemporary debates The Theology of Augustine's Confessions Paul Rigby, 2015-02-26 This study of Augustine's Confessions presents his testimony of conversion as an antidote to modern culture's tendency toward disbelief Passages Émile Ollivier, Emile Ollivier, 2003 Passages is the tale of a mythic journey from one world to another It is a story of hope and shipwreck of a group of people from a tiny village on a Caribbean island who find themselves adrift when they must leave the home they know to set out for the home they dream only about

Twins of Deception Chinedu Nnadi, 2025-06-03 Prisca had everything wealth status and a husband who made success look effortless But behind the designer gowns and flawless facade was a secret war years of infertility guilt from past choices and a marriage cracking beneath the weight of image and silence When Ivy a humble and quietly resilient surrogate enters their world she becomes more than just a vessel for Prisca's dreams She becomes a threat As Ivy's bond with Ivy deepens the lines between duty and desire blur and a forbidden affair sets a fuse no one can stop When the truth explodes so does the family A vicious custody battle erupts But nothing prepares them for the final betrayal Ivy is not just the surrogate she's the biological mother A medical mistake Or something far more sinister As reputations collapse and loyalties are tested three lives spiral toward an irreversible reckoning In a world where love is currency and control is survival Twins of Deception asks how far will someone go to claim what they believe is theirs Gripping emotional and razor sharp Twins of Deception is a story of secrets power and the price we pay for the truths we hide **Living Peacefully in a Big City** Tanna Marshall, 2009-06 Tanna Marshall's book is the must have survival guide for all big city dwellers and beyond I love this book and feel certain it will help millions of readers across the country No Buts about It Eddie Conner Author Kicking the Big BUT Syndrome Radio Host Living Peacefully in a Big City is long overdue It helps you make sense out of a chaotic world no matter where you live Victor Benoun Author of The Lemonade Stand On The Corner How To Start A Successful Business After 50 Tanna Marshall has created a practical informative and entertaining guide that will not only allow you to experience a greater sense of peace it will change the way you move through the world and the quality of your life Erika Morrell Soul Mate Medium™ Author of

Cross-Cultural Studies in Curriculum Claudia Eppert,Hongyu Wang,2007-09-14 This volume broadens the horizon of educational research in North America by introducing a comprehensive dialogue between Eastern and Western philosophies and perspectives on the subject of curriculum theory and practice It is a very timely work in light of the progressively globalized nature of education and educational studies and the increasing **Belchamber** Howard Overing Sturgis,2015-02-22 In his remarkably interesting novel Howard Sturgis with a skilful touch describes life in the rich and self indulgent aristocratic society It traces the career of a young man Sainty brought up in the midst of great luxury Indecision of character is the weakness of Sainty He allows himself to become the prey of a scheming mother and her worthless daughter

and in spite of the tremendous advantage of his wealth and position and a strong desire to benefit his fellow men he never accomplishes anything Saintly is the victim of his surroundings he makes a few ineffectual struggles before the waters of adverse circumstance close over him Most of the men and women described in Belchamber are hard and grasping if not distinctly vicious and yet the variety shown is endless The book is extremely well written showing marked skill in the delineation of character Mary K Ford

If Harry Potter Ran General Electric Tom Morris, 2006-05-16 However important the magic of wands brooms cauldrons potions and spells might be to the vivid story telling of the Harry Potter books it is merely incidental to their philosophy of life I can't count the number of times I've heard someone in a business context say something like I wish I could just magically solve all these problems or I'll try my best to deal with this but remember I'm no magician What is particularly interesting is that the most difficult problems that the people in Harry's world face are rarely solved with just magic but rather by the use of intelligence reasoning planning courage determination persistence resourcefulness creativity fidelity friendship and many other qualities traditionally known by the philosophers in our world as virtues The meaning of life is not to be found in elixirs or incantations secret words or exotic objects with esoteric powers but in real moral virtue and the magic of what it can help us do J K Rowling's novels about Harry Potter and the Hogwarts School of Witchcraft and Wizardry have captured the imaginations of people everywhere In IF HARRY POTTER RAN GENERAL ELECTRIC bestselling business author Tom Morris IF ARISTOTLE RAN GENERAL MOTORS uncovers the values and timeless truths that underlie Rowling's hugely popular books and illuminate the lessons they offer to all of us in our careers and daily lives But you say Harry Potter lives in a world of magic What can we possibly learn to apply to our own careers and everyday lives Morris shows that the most difficult problems Harry and his friends face are rarely solved by the use of magic alone Rather they are conquered by intelligence reasoning determination creativity friendship and a host of other classic virtues the very qualities in fact that make for success in every aspect of our lives Blending an array of provocative examples from the novels with thought provoking commentary on contemporary management practices IF HARRY POTTER RAN GENERAL ELECTRIC offers readers a master's course on leadership and ethics told in an engaging and insightful way

Augustine's Apocalyptic Political Theology in the Evil Saeculum Pung Ryong Kim, 2024-09-16 Augustine's Apocalyptic Political Theology in the Evil Saeculum investigates Augustine's apocalyptic political theology under the premise that he perceived the saeculum or this age as evil Augustine views the saeculum as wicked because of the activity of the devil and demons For Augustine the devil perverted our social life and politics by mediating the false collective memory of the created world social life and politics through media such as various religious cultural liturgies and literary works In particular the demons reinforced Roman citizens amor sui amor laudis and libido dominandi by employing pagan rituals and literature that mediated the collective memory of the imperial period justifying the existence and expansion of the empire As such this book explores the socio-political implications of Augustine's demonology

Social Theory for Old and

New Modernities Franco Ferrarotti, 2008-07-01 Franco Ferrarotti's essays are of special interest to social scientists working in social theory and cultural sociology. His insights are far reaching and applicable to those studying the areas of religion, immigration, violence, and social movements.

Transcending Creators' Trilogy in the Era of Growing Global Idiocracy Benjamin Katz, 2023-04-20 Humans are endowed with potential, evolving great soul and a potential to become nothing at all. Spreading smoke screen over our foolishness is human's nation's specialty and the reason for our constant stumbling over our feet and the reign of Idiocracy now. There are no exceptional people or nations because of moral alone. The only exceptionalism is attained by pursuing the goals of global sustainability, fairness, and farsighted and wise evolution beyond sapiens limitations. This book tries to show how we can rid us of our cursed global Idiocracy by pursuing a long term viable course for farsighted, wise, and sustainable future development.

The Champions of Justice and the Supreme Ruler of Evil (Light Novel) Kaede Kikyou, 2018-09-10 World domination, our long cherished aspiration. Naturally, the most appropriate person to aspire to such a surreal ideal is the Supreme Ruler of Evil, Mia Oonari's father, the former Supreme Ruler of Evil, died leaving his only child with their organization's sole ambition, world domination. Mia sets about enacting her own innocent ideal of taking over the world, only to be hindered by the five Champions of Justice who make up the Crow Rangers. This is the comedic story about a villainess who lacks the tact of exacting her evil schemes and the Champions of Justice who lack motivation in stopping her. Join Mia as she finds love, friendship, and the truth behind her world-breaking magic in this light novel.

Belchamber Howard Overing Sturgis, 1905 The memory of his birthday remained with him as a shifting phantasmagoria of painful images that partook of the nature of a nightmare. To be the principal figure in any pageant must always have a charm for the imagination of youth if combined with the ability to play the part becomingly, but it is a very different matter for one conscious in every nerve of his own.

When Eve Was Naked Josef Skvorecký, 2015-06-02 This autobiography in stories, *When Eve Was Naked*, takes us through a most remarkable life from the innocence of prewar Prague through the horrors of the Nazi occupation and World War II. In the title story narrated by Skvorecky's alter ego Danny Smiricky, seven-year-old Danny falls in love for the first time at sixteen; he hides in a railway station and watches as his Jewish teacher is herded onto a train and taken away, and in 1968 as Russian tanks rolled into Prague, Skvorecky flees Czechoslovakia, taking Danny with him. In the collection's final stories, Danny begins his tenure as Professor Smiricky at a Canadian university and attempts to come to terms with the politically innocent and self-centered youth that flock to his courses.

Life Looks Up Charles Templeton, 1955

Bob Drinan Raymond A. Schroth, 2010-12-01 Raymond Schroth's *Bob Drinan: The Controversial Life of the First Catholic Priest Elected to Congress* shows that the contentious mixture of religion and politics in this country is nothing new. Four decades ago, Father Robert Drinan, the fiery Jesuit priest from Massachusetts, not only demonstrated against the Vietnam War, he ran for Congress as an antiwar candidate and won, going on to serve for 10 years. Schroth has delved through magazine and newspaper articles and various archives, including Drinan

s congressional records at Boston College where he taught and also served as dean of the law school and has interviewed dozens of those who knew Drinan to bring us a life sized portrait The result is a humanistic profile of an intensely private man and a glimpse into the life of a priest politician who saw advocacy of human rights as his call Drinan defined himself as a moral architect and was quick to act on his convictions whether from the bully pulpit of the halls of Congress or from his position in the Church as a priest to him they were as intricately woven as the clerical garb he continued to wear unapologetically throughout his elected tenure Drinan s opposition to the Vietnam War and its extension into Cambodia his call for the impeachment of President Richard Nixon he served on the House Judiciary Committee which initiated the charges his pro choice stance on abortion legally not morally his passion for civil rights and his devotion to Jewish people and the well being of Israel made him one of the most liberal members of Congress and a force to be reckoned with But his loyalty to the Church was never in question and when Pope John Paul II demanded that he step down from office he did so unquestioningly Afterward he continued to champion the ideals he thought would make the world a better place He didn t think of it in terms of left and right as moral architect he saw it in terms of right and wrong This important book doesn t resolve debate about issues of church and state but it does help us understand how one side can inform the other if we are listening It has much to say that is worth hearing
