Opening Prayer For Preschoolers:

Raising Great Kids for Parents of Preschoolers Henry Cloud, John Townsend, John Sims Townsend, 2000-04-25 Raising kids of character is a daunting task so there s no better time to start than when they re young The first few years of life is the most critical period of growth and development Infants start the process of trusting the love of Mom and Dad and God toddlers begin experiencing freedom and responsibility and children start understanding how to function in the real world In short this is the period in which a child s soul is developed As a parent you are right at the center of that process It s impossible to overestimate how important a role you play in rearing your child As the Bible teaches God shows us how to trust in him even at my mother s breast Psalm 22 9 But most parents feel overwhelmed by the complexity of the job With so many things to worry about how do you know the real tasks and goals of parenting Many moms and dads become discouraged or don t know where to start We wrote *Raising Great Kids* and developed this curriculum to help you In this video curriculum just as in the book we offer you a structure for approaching parenting We provide a road map for creating character in your children the ability to function as God designed them to function in the world The biblical principles set forth in the book apply to all ages and stages of kids so you can use them as a guide for all the years you parent This video curriculum however deals specifically with infants toddlers and preschoolers It addresses in a practical hands on manner situations and issues you encounter with children five years old and younger Our goal is to help empower parents of these children moms and dads like you to become intentional and effective in your parenting We re glad you ve decided to invest the time and effort in your children by working through *Raising Great Kids for Parents of Preschoolers* We pray that God will use this study to help your parenting be the successful and worthwhile relationship he designed it to be We appreciate your labors as a parent and may God bless you
