Online Rich Man Poor Memoir:

The Autobiography of W. E. B. DuBois W. E. B. Du Bois, 2013-09-01 The present volume is quite different from the other two autobiographies by Du Bois not only because of its additional two decade span and the significantly altered outlook of its author but also because in it unlike the others he seeks as he writes to review my life as frankly and fully as I can Of course with the directness and honesty which so decisively characterized him he reminds the reader of this book of the intense subjectivity that inevitably permeates autobiography hence he writes he offers this account of his life as he understood it and as he would like others to believe it to have been Certainly while Dr Du Bois was deep in his ninth decade when he died longevity was the least remarkable feature of his life As editor author lecturer scholar organizer inspirer and fighter he was among the most consequential figures of the twentieth century Necessarily therefore the full and final accounting of that life and his times becomes an indispensable volume

Memoirs of a Happy Psycho Daniel De La Cruz, 2021-10-08 How many times have you been asked how you were doing and you responded better In all honesty you might have been doing a little better than the last time but not much Then this book is for you But this book is also for people who are just tired of not living their best lives People who wish they had someone they can go to that can help direct them on the path to living that best life How many people wish they had an older person they can turn to when they feel doubt to ask for advice Someone who has accumulated years of wisdom to say You know what I ve been there and this is what these things will lead to Let me show you how I got past that How many people are just in need of some source of guidance I have felt like this my whole life I was born blessed with a unique type of mind that as I experience life my mind records everything I learn as from a 3rd person which makes it easy for me to document and learn from things as I go I ve also done my fair share of traveling and in my own search for inner peace have picked the brain of so many people from different walks of life who had so much wisdom to give Of all these things I have learned I picked out the most common and universal things that I feel prevent people from living their best lives and wrote this book So that anyone reading this book can be well on their way to being better at being better Better at beating anxiety and self doubt be more confident in themselves Even help in building financial stability and find inner peace I feel it necessary to let everyone know that I credit all of my success in life from overcoming chronic crippling anxiety and panic disorder to surviving the prison system for years to dealing with deaths and raising kids and heartbreak and poverty and severe PTSD and an injury that took away my ability to walk for a while to growing up with an abusive parent and sibling to battling my own inner demons and having a heart attack at 26 to my faith in God Not religion My relationship with God If you have always felt like God hasn t been there for you read this book If you feel like you never really felt God read this book If you

never really thought much about God playing an active role in your life read this book If you just need a nudge in the right direction and are lost a little bit or a lot read this book If you just want to be better at being better read this book
