*HARD LOVE* April Buchanan, 2020-09-01 In this world we learn much about love but it is only in relationship with God that we truly learn what love is and what it is not On this side of eternity we will not fully know all there is to know about the love of God In fact it is the things we experience in this world that reveal what we have believed about love and how we have allowed our experiences culture and relationships to shape our lives and define love for us We then take that definition of love and write it upon the hearts and lives of others How important it is then that we know the true definition of love and that we know the Author God Jesus summed up all the commandments in this love God and love one another It sounds so easy but most times we find that true love is in fact quite the contrary It is a hard love This may not sound like what we would expect to hear though let us pause but for a moment and consider what we have learned about love Consider our relationships in this world and if we are Christians then let us consider our relationships with those in the body of Christ Now let us consider how well we have done in loving God and loving one another Would we still say that it is always easy Likely we could each think of times when we have endured suffering hurt loss brokenness rejection abandonment false accusations and so much more or perhaps how we have not only been on the receiving end of these but also we have caused others pain in our own pursuit of love It is my hope that throughout these pages we will examine the truth of each our own hearts and rather than redefining love or passing down a definition of love that we have been taught that is not the love of God that we discover or rediscover the true love of God It is my hope that these words will reach many hearts that are longing for what our hearts were created for fellowship with God to know His love personally and share it with all In order that we have this love it begins first with the examination of our hearts with the truth and the truth of our own condition A heart seeking love must seek truth for we cannot have one without the other

Heyer, H. G. Wells, E. M. Forster, F. Scott Fitzgerald, Leo Tolstoy, Elizabeth Gaskell, P.G. Wodehouse, R.D. Blackmore, Pierre Choderlos de Laclos, Madeleine L'Engle, 2022-11-13 **The Greatest Romance Classics of World's Literature** is an unparalleled anthology that showcases the evolution and diversity of romantic literature through the ages. This collection brings together an extraordinary range of literary styles from the classic English romance of Jane Austen and the Brontë sisters to the enthralling Russian epics of Leo Tolstoy and from the psychological intricacies of Henry James to the avant garde narratives of Virginia Woolf. With standout pieces that have each in their own way redefined the genre, this anthology highlights the universal theme of love while showcasing the cultural and stylistic differences that enrich the concept of romance. The variety within these pages offers readers a comprehensive insight into the genre's development, setting a precedent for literary excellence. The authors represented in this anthology are not just luminaries in their own right but collectively serve as the architects of the romantic and literary sensibilities that have shaped modern storytelling. From the engrossing societal critiques of Charles Dickens and George Eliot to the pioneering narrative techniques of E.M. Forster and F. Scott Fitzgerald, these authors have profoundly contributed to their respective eras, movements, and genres. The anthology's diversity reflects significant historical and cultural movements, blending the Gothic romance of the Brontës, the Victorian realism of Thomas Hardy, and the existential musings of modernists like Woolf and Forster, thereby providing an intricate tapestry of human emotion and interaction through the ages. For readers eager to embark on a journey through the history of romance in literature, **The Greatest Romance Classics of World's Literature** offers an unrivaled opportunity. It presents a unique chance to delve into the myriad forms of romantic expression, exploring its evolution from the passionate, often tumultuous relationships of early literature to the nuanced introspective portrayals of the contemporary period. This anthology not only educates but also entertains, inviting readers to engage with the dialogues and debates that have animated the genre for centuries. It is an essential collection for anyone looking to understand the depth and breadth of romantic literature and its continuous influence on world literature.

**An Introduction to World Methodism** Kenneth Cracknell, Susan J. White, 2005-05-05 The world Methodist community now numbers over 75 million people in more than 130 countries. The story of Methodism is fascinating and multi-faceted because there are so many distinct traditions within it, some stemming directly from Britain and some arising in the United States. In this book, the authors address the issue of what holds all Methodists together and examine the strengths and diversity of an influential major form of Christian life and witness. They look at the ways in which Methodism has become established throughout the world, examining historical and theological developments and patterns of worship and spirituality in their various cultural contexts. The book reflects both the lasting contributions of John and Charles Wesley and the on-going contribution of Methodism to the ecumenical movement and inter-religious relations. It offers both analysis and abundant resources for further study.
