**Sex** Conan Bale, 2019-07-12 How to be a real man Not a guy because every guy is a guy you know what Possession however is known what does not make a man man any more the more true So how to be a real man We will wonder if it is easy It is possible that a guy is easier to be a woman than a real man Quite possibly but yeah You ask me And who the hell are you to tell me if I am a real man or am I not him hmm Relax do you know how different from a real man Just because I am a woman and thanks to the fact that I do not have testosterone stained eyes I can be more objective and thus I can be more useful for you I see what you will never see and yet you are a man not for other men but for women first and foremost I have brothers and I grew up in a manly environment I feel good in your company However I have always been irritated by certain matters and I would like to make your my my and other women's lives simpler and more pleasant Nature did not give you men instructions for use to an extremely complicated device which is undoubtedly a woman which gave birth to many problems So I not praising myself I decided to help you a little in helping women Because another feature of a real man is that he can handle women Maybe not as good as you do with cars computers or road maps but just like with a knife and a fork Unfortunately you can not quite be yourself understand yourself and live like a man with a man though it may be a bit homosexual to smudge It is not important this is not the point This modest book which I just give to your male hands will be a little tutorial on seduction a little savoir-vivre textbook in places a typical psychological text and even a medical one and a little more or less successful humorous about men male female relationships and laws governing them Above all however this book should be treated as a guide that deals with very serious and complex psychological issues although sometimes it may be in a slightly unknowing way The content is sometimes written in a strange language but that's what I wanted Do not take offense if I sometimes get into dirty shoes with your male ego and male ambition that's how it's supposed to be It's a provocation Often I will exaggerate colorize and emphasize certain matters here to emphasize visualize and make it clearer to you Often I will also use generalizations for the same purpose So you should not always take everything literally I hope that thanks to this reading it will be easier for you to discover that you are a real man and enjoy it because you are I have no doubt You ask how do I know it if only from here that you are reading now what I would like to tell you So you are intelligent open and want to broaden your horizons and this is a very good foreplay to our book knowledge The guy does not have to be beautiful he's smart enough And I assure you after reading the pages that I give you if anyone asks you And how do you differ from a real man you can answer Nothing What I want and I wish for you Enjoy reading and good luck
