**Opening Heaven's Door** Patricia Pearson, 2015-05-19 Nearing Death Awareness is a phenomenon rarely discussed by those who have experienced it and often dismissed by our culture because it defies science or logic Yet roughly half of bereaved people as well as nurses and others who constantly observe the dying have stories of coincidental visions at the exact moment of a loved one's death comforting visits from a departed friend in an hour of need and observations of the uncanny precision with which the dying predict their own deaths even when they appear to the trained eye to be on the brink of recovery These surprisingly common occurrences point toward a larger spiritual reality and the reality of life or something else after death They also have the power to console and comfort us and to transform our understanding of mortality Prompted by her own family's experiences surrounding the deaths of her father and sister journalist Patricia Pearson examines the scientific and anecdotal evidence to challenge current assumptions regarding what we know and what we are still unable to explain about what happens to us at the threshold of death Adapted from publisher description *Visits from Heaven* Josie Varga, 2010 If you think you're going to die then you're in for a big surprise This book will not only challenge your assumptions it will give you the proof that you never thought existed Not only are there substantial scientific studies indicating that our consciousness survives death but those on the other side have come back time and time again with evidential messages for their loved ones Josie Varga has assembled an incomparable collection of what she terms visits from heaven from around the globe and backed up by testimony from some of the world's leading experts on afterlife communication [A Gift from Heaven: True-life stories of contact from the other side \(HarperTrue Fate - A Short Read\)](#) Jacky Newcomb, 2014-08-15 Millions of people around the world have experienced contact from the other side In this inspiring and uplifting short story leading expert Jacky Newcomb shares some of the stories she's received about contact and life after death *Knockin' on Heaven's Door* Roland Boer, 1999 Focusing on such diverse issues as pornography heavy metal music and McDonald's hamburgers this text offers a critical and interdisciplinary analysis of the relationship between biblical studies and contemporary culture **Star Crossed** Heather Dune Macadam, Simon Worrall, 2023-08-22 For readers of *The Nightingale* by Kristin Hannah who are looking for an immersive true account of Nazi occupied Paris *Star Crossed* is an epic story of love and resistance during WW2 from the award winning author of Pen America Literary Award Finalist and Goodreads Choice Award Nominee 999 Part historical portrait of life during the Occupation part valentine to *The City of Light* and the resilience of its people this transportive love story follows the romance between a Catholic Resistance fighter and a Holocaust victim who meet at the famous Caf Flore before war prejudice and disapproving families set them on divergent and tragically inevitable paths A Goodreads Choice Awards Nominee What a beautiful heartbreaking story Erica Robuck National Bestselling Author of *Sisters of Night* and *Fog* Paris 1940 *The City of Light* has fallen under German occupation Among patriotic Parisians the pursuit of art culture and jazz has become a bold act of defiance So has forbidden

**Heaven's Door** Michael Knaggs, 2014-11-28 The events of these past few months can be likened to the destabilising of a mountain top creating a political and social avalanche of awesome overwhelming power As it cascades unstoppable in its devastating surge it now seems certain that everything in its path will be either swept along with it or buried irretrievably beneath The public demand for radical change in law and order in the wake of a catalytic event on a tough East London estate featured in Catalyst the first book in the Hotel St Kilda Trilogy Now with the second installment Heaven's Door we rejoin the story as the new government who swept to power off the back of the public's appetite for reform start to assert their control The new measures for addressing street crime include lifetime banishment for worst offenders a popular development which receives widespread support and which Tom Brown the Home Secretary decides to extend to cover other serious crimes Although he meets strong opposition to this change he steadfastly pushes it through Then at the zenith of his political achievement and just when he seems reconciled with his family his decision backfires His private and political lives collide dramatically and Tom is faced with a devastating choice which either way will lead to personal tragedy Meanwhile Detective Inspector Jo Cottrell and a former colleague David Gerrard begin looking into the circumstances that led to this situation and uncover unexpected liaisons which raise a number of questions
