The Viking Battalion Olaf Minge, Kyle Ward, 2023-07-31 What is engaging about this book is that you get to hear the authentic voices of the soldiers through their memoirs journal entries and letters Some are long some are short but all are worth reading for the insights you get into the minds of the ordinary soldier and what catches his eye The Norwegian American Hidden in the crevasses of World War II history is the story of the 99th Infantry Battalion Separate A small unit that rarely gets any attention it is part of a fascinating story Alongside battalions of Austrian Greek Filipino and Japanese Americans the Army decided to create an all Norwegian American battalion originally trained at Camp Hale Colorado along with the 10th Mountain Division with the original mission of liberating Norway Their exploits during training brought them enough notoriety that members of the 99th were recruited to start the First Special Service Force and a branch of the OSS Although they were not initially sent to Norway they would fight in Normandy across France and Belgium helped entrap the Germans at Aachen protected the city of Malmedy during the Battle of the Bulge where they stopped an attack by Skorzeny and a SS Panzer Division helped liberate Buchenwald guarded the Nazi treasures found in Merkers mine and finally served as the Honor Guard for King Haakon VII on his triumphant return to Norway This book tells the story of the 99th Infantry Battalion through an anthology of rarely if ever previously seen memoirs journals letters and newspaper articles written by or about the Viking soldiers [The Modern Literary Werewolf](#) Brent A. Stypczynski, 2013-05-11 Throughout history from at least as far back as the Epic of Gilgamesh mankind has shown a fascination with physical transformation especially that of humans into animals Tales of such transformations appear in every culture across the course of history They have been featured in the Western world in the work of such authors as Ovid Petronius Marie de France Saint Augustine Jack Williamson Charles de Lint Charaline Harris Terry Pratchett and J K Rowling This book approaches werewolves as representations of a proposed shape shifter archetype examining with reference to earlier sources how and why the archetype has been employed in modern literature Although the archetype is in a state of flux by its very definition many common threads are linked throughout the literary landscape even as modern authors add modify and reinvent characteristics and meanings This is especially true in the work of such authors examined in this book many of whom have struck a chord with a wide range of readers and non readers around the world They seem to have tapped into something that affects their audiences on a subconscious level [Fiction Index Three](#) Gerald Brooks Cotton, 1975 *Cumulated Fiction Index*, 1975 **The Werewolf in Lore and Legend** Montague Summers, 2012-04-27 The first definitive work on werewolfery incorporates an extensive range of historical documentation and folklore Written in a Gothic style by a venerable author of occult studies it s rich in fascinating examples and anecdotes and offers compelling fare for lovers of the esoteric [The Real Werewives of Colorado Box Set Vol. 2 Books 4-6](#) Kristen Strassel, Join The Real Werewives for this fun and STEAMY season on Colorado Ranch and follow each couple as they find true love after forty Meet the contestants Instant

Mate Hi I m Blaire I ve never shied away from a challenge so when my sister suggests I apply for The Real Werewives I send in an audition video What are my chances of getting picked I m forty and a former racecar driver with a taste for controversy But a wolf on Colorado Ranch actually chose me as his forever mate Austin s got a competitive streak that gets my motor running We dare each other to see who can come up with the best date but soon I learn this sexy cowboy had his former life ripped away from him I m determined to help him heal his wounds because our over the top dates might be the only thing that can save Colorado Ranch This is one challenge I absolutely can t refuse Rebel Mate Hi I m Roxy Everyone assumes I applied to The Real Werewives to find the love of my life but I came to tell my side of the story it s time my voice is heard At one time I was America s Sweetheart I starred in movie after movie and won major awards all before the age of ten Everyone thought my life was perfect That was until I emancipated from my parents and woke up in Vegas married to the world s most notorious rock star wolf We weren t in love and it didn t last It was a cry for help The scandal got attention the wrong kind Directors refused to return my phone calls and the press went from Princess Roxy to Poor Roxy overnight It s been almost twenty five years since my fall from grace and I want to set the record straight Turns out there s been a sweet cowboy wolf waiting for me on Colorado Ranch all this time He says he s always known I was his mate and he wants to give me the home and family that s become my dream Hollywood I don t need them anymore But that rock star from my past He just might get the last word Surprise Mate Hi I m Tina I came to The Real Werewives to help the wolf get the girl But I never planned to be that girl Taking this job was risky From the start it was more than another gig I had something to prove as much as the wolves on Colorado Ranch that a pack could take human mates and make it last forever My plan was to produce the shows and never let any of them know why this meant so much to me before I went onto the next job Now we re on the last episode Sterling is one confused wolf He s brought many Werewives to the ranch and now he s decided I m his mate There s no way I can be Or can I This wild wolf wants to break down the walls I ve built around my heart and teach me a thing or two about myself But there s a reason I ve been running and I can t fall for him If history repeats itself I could be the downfall of this pack
