**LA MADRE EMOCIONALMENTE AUSENTE** Cori, Jasmin Lee, 2023-06-05 Muchas personas sienten que les faltó algo en su infancia y se preguntan por qué su madre no parecía estar ahí para ellas. A pesar de que la madre pudo haber prestado cuidados de tipo físico, tienen la sensación de haber sido de algún modo huérfanas de madre. En estas circunstancias es difícil mantener una relación con la figura materna en la edad adulta. La madre emocionalmente ausente te ayuda a comprender por qué tu madre fue incapaz de proporcionarte lo que muchas madres sí pueden dar. También te guía en un trabajo a varios niveles: Identificar los impactos de la negligencia emocional y el abuso emocional; Evaluar opciones en cuanto a la relación con tu madre ahora que eres una persona adulta; Encontrar al niño/a que llevas dentro y aprender a ser una madre para ese niño/a; Hacerte cargo de tu sanación y aprender a compensar lo que no tuviste. A través de reflexiones, ejercicios y explicaciones claras, la psicoterapeuta Jasmin Lee Cori ayuda a hijos e hijas adultos a sanar las heridas que les dejó una madre que no les proporcionó los elementos esenciales que todo niño/a necesita. Te das cuenta de que lo que pensabas que eran defectos propios fueron en realidad déficits de la maternidad, lo cual te permite desprenderte de culpas. También aprendes a criar a tu niño/a interior para que obtenga lo que no recibió en su momento. El conjunto del trabajo te conduce a un futuro más feliz tanto para ti como para tus hijos.

**Daughter Detox** Peg Streep, 2017 A self-help book based in science, the result of more than a decade of research. Daughter Detox offers the daughters of unloving mothers vital information, guidance, and real strategies for healing from childhood experiences and building genuine self-esteem. Writer Peg Streep lays out seven distinct but interconnected stages on the path to reclaim your life from the effects of a toxic childhood: DISCOVERY, DISCERNMENT, DISTINGUISH, DISARM, RECLAIM, REDIRECT, and RECOVER. Each step is clearly explained and richly detailed with the stories of other women, approaches drawn from psychology and other disciplines, and unique exercises. The book will help the reader tackle her own self-doubt and become consciously aware of how her mother's treatment continues to shape her behavior even today. The message of the book is direct: What you experienced in childhood need not continue to hold you back in life. What was learned can be unlearned with effort. The book begins with DISCOVERY, opening up the reader's understanding of how she has been wounded and influenced by her mother's treatment. Recognizing the eight toxic maternal behaviors: dismissive, controlling, emotionally unavailable, unreliable, self-involved, or narcissistic, combative, enmeshed, or role-reversed, lays the foundation for the daughter's awareness of how her way of looking at the world, connecting to others, and ability to manage stress were affected. DISCERNMENT delves into the patterns of relationship in her family of origin and how they played a part in her development, and then shifts to looking closely at how the daughter adapted to her treatment, either silencing or losing her true self in the process. Next up is DISTINGUISH, seeing how the behavioral patterns we learned in childhood animate all of our relationships in the present with lovers and spouses, relatives, friends, neighbors, and colleagues. The act of distinguishing allows us to see why so many of us end up in unsatisfying

relationships chose the wrong partners or are unable to develop close friendships Active recovery begins with DISARM as the daughter learns how to disconnect unconscious patterns of reaction and behavior and substitute actions that will foster the growth of self esteem Understanding the triggers that set us off the cues that put us on the defensive and the default positions of blaming ourselves and making excuses for other people s toxic behavior are addressed as are unhealthy behaviors such as rumination rejection sensitivity and more RECLAIM is the stage at which the reader begins to actively make new choices preparing herself so that she can live the life she desires by seeing herself as having agency and being empowered Making new choices and figuring out how to manage her relationship to her unloving or toxic mother is the focus of REDIRECT There are stories to inspire and challenge your thinking exercises that show you how to swap out self criticism for self compassion guidance on how to use journaling as a tool of self discovery and growth and advice on goal setting Finally RECOVER challenges the reader to come up with a new definition of what it means to heal suggests tools to overcome the obstacles she places in her own way and strategies to become the best most authentic version of herself
