Modest Men And Women Clothed In The Gospel:

Modest R. W. Glenn, Tim Challies, 2012-08-01 Uh oh another book on modesty And look here s a surprise it s written by men Is that sort of what you re thinking If so we want to assure you that this book is different We promise When it comes to discussions of modesty among Christians the problems you have probably experienced and the challenges we face as authors have the same root expectations based on experience Christians have come to associate any discussion of modesty as necessarily involving a certain focus and vocabulary We just know that words like spaghetti straps and bikinis will very quickly become part of the conversation Maybe even head coverings And when a man is the speaker or the author or the one leading the discussion That s when women in particular often brace themselves fearing an assault on their fashion sense and wondering if they are about to be blamed for all male struggles with sexual lust Does he think I have to be ugly to be godly We know this is a problem We ve read those books heard those sermons attended those small groups and reviewed those pamphlets And we are just as perplexed and frustrated as you are That s why we knew from the start that this book had to be different In the pages that follow we are not going to focus on your wardrobe In a sense we don t even care about your wardrobe But we care a great deal about your heart and that is true whether you re a man or a woman We want to see your heart so gripped by the gospel of grace that modesty becomes beautiful and desirable to you not just in your wardrobe but in all of life We want you to understand that modesty isn t just motivated by the gospel it s an entailment of the gospel it flows naturally from a solid grasp of the gospel

Brass Heavens Paul Tautges, 2013 Does it ever seem like God is not listening Sometimes we re tempted to wonder if God can hear us After months or even years of praying over a particular person or situation we look for evidence that God is getting our message or even paying attention and we can t find much Why is that Why do the heavens sometimes seem as hard and reflective as brass Doesn t God love us and care for us Isn t he all powerful What s going on In Brass Heavens author pastor and biblical counselor Paul Tautges grounds prayer in the character of our Triune God whose very nature is to share generously his good gifts with his children Upon that foundation Tautges then explores six reasons why at times God appears to go silent As we examine these causes of

unanswered prayer we discover the biblical means by which we may open God's ears to our voice once again God has a good and holy purpose for periods of silence He wants to test our faith that we might see for ourselves just how weak and dependent we are on him for all good things His goal is nothing less than to heighten our spiritual sensitivities in order to draw us into more intimate fellowship with him and more faithful obedience to him **Broken Vows** John Greco,2013-09-01

There was never supposed to be a post marriage period of my life says John Greco He had just accepted his dream position as a church pastor when his wife announced she was divorcing him In a few short weeks his marriage ended and his career plans unraveled He was hurt angry and felt abandoned by God Marriage is supposed to be for life but divorce still happens How can a Christian reconcile the reality of divorce with the biblical view of marriage How can the wronged spouse forgive And how can God still be good when bad things happen In **Broken Vows Divorce and the Goodness of God** Greco doesn't offer pat answers In the initial aftermath he says one must simply grieve There is a period after a devastating loss when a soul is unable to take in words of healing he says These are the moments not to look for answers or try to find any sort of good in the situation but to pour yourself out to Jesus **Broken Vows** combines Greco's personal story with a biblical view of suffering He provides pastoral help for those who have experienced divorce and gives all Christians a way to think biblically about this difficult subject **Pure Love** Timon Bengtson,Sarah Rose,2015-09-02

When's the last time your church spoke openly about sexuality Messages about sex are everywhere Books magazines films television and billboards bombard us daily with the cultures standards and beliefs about sexuality And while the world tells us how we should live in regards to our relationships and sexual identity the church has too often been silent But sexuality is not an issue that can be ignored **Pure Love** deals openly honestly and biblically with these core issues of sexuality facing young people today dating singleness modesty emotional purity pornography masturbation homosexuality Confident in the power of the gospel Timon and Sarah draw on their own experiences and the truth of the Scriptures to show you how you can be freed from the slavery of sexual temptation and walk in a manner worthy of your calling as a Christian **The Branch Exposition of the Bible, Volume 1** Michael A. Eaton,2020-08-31

If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap **The Branch Exposition of the Bible** is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet

the resurrected Jesus Christ in the pages of Scripture *Gospel Herald* ,1928 **Through the Bible** Zac Poonen,2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word **NKJV Daily Devotional Bible for Women, Trade Paper** Holman Bible Publishers,2019-04-01 The Daily Devotional Bible for Women NKJV Edition is designed to connect God s Word with the deepest needs of your heart One of the challenges of Bible reading is knowing where to start Crafted by a culturally diverse team of women for women the devotionals for women and other resources offer insights from multiple perspectives spanning various ages backgrounds and experience As a result these NKJV Bibles for women provide a

Changing Roles of Women Within the Christian Church in Canada Elizabeth Gillan Muir, Marilyn Färdig Whiteley, 1995-01-01 Canadian religious history has been written with relatively little reference to the role of women. Throughout the years the church itself has intensified this problem by restricting the options of women, excluding them from the most valued roles and positions. In the past Christian women were obliged to find alternative avenues for the expression of their faith and as a result their experience has been unusually rich and varied. This pioneering anthology traces the history of Canadian women in the Roman Catholic, Anglican

and Protestant traditions from the early days through the 1960s Seventeen Canadian scholars tell the stories of individuals who have worked in traditional and non traditional roles alone and as members of groups both within and outside church structures All of the articles present new or little known material relating the faith determination and inventiveness of women whose experience has so far been overlooked The volume includes an introductory overview of women s church work as well as a comprehensive bibliography of papers and books published about women in the Christian church in Canada both in English and French The incorporation of feminist analysis and an emphasis on gender issues set this collection apart from all other studies of Canadian church history A unique and valuable book it not only fills a void in the chronicles of religion it adds an important new dimension to Canadian history

Grace Is Free Marci Preheim,2014-03-01 What Does Godly Look Like A great treason is infiltrating the Christian world today The gospel is meant to set people free but instead it has been subtly tainted by the enemy False teaching has slipped in virtually unnoticed but its effects are deadly To do lists competition even with spiritual disciplines and extra rules have enslaved women to self righteousness instead of leading them to Christ s righteousness Disguised as helpful tips for women this distortion robs Christian women of intimacy with each other and labels them as godly for what amounts to human effort and worldly success Many people view this competition for godliness as striving for excellence After all what man doesn t want a woman who is zealous to be the best homemaker mother and wife But if organization and domestic genius were prerequisites for godliness then Martha Stewart would be one of the godliest women in the world The truth is when women spend more time trying to appear godly rather than actually being close to God there can be no other motive than a desire for approval from people rather than from God himself Grace Is Free unmasks this false gospel and the bondage to people s approval that comes with it It attempts to realign perspectives and help women understand how to rest through faith in what has already been accomplished through Jesus Christ The true gospel is received through faith not activity For in the gospel a righteousness from God is revealed a righteousness that is by faith from first to last just as it is written The righteous will live by faith Romans 1 17
