KJ Lindholm-Leary

Modesta Espana Paisaje Despues De La Austeridad Cronica:

Modesta España Enric Juliana, 2012 La actual crisis económica no será un paréntesis en España a pasar en los meses los años y nada volver a ser como antes Pese a que los discursos políticos convencionales del gobierno y de la oposición juegan con la metáfora tranquilizante del paréntesis España a no regresar en muchos años probablemente nunca más a las altas cotas de consumo especulación y hedonismo de las últimas dos décadas Se cierra una etapa y España se convierte en un país definitivamente modesto La modestia sin embargo no siempre ha tenido buena prensa en nuestro país No es apreciada en los despachos y no siempre ha tenido una buena reverberación en el alma popular Enric Juliana configura una magnífica crónica política muy aguda y original sobre el actual momento español repasando uno por uno los principales escenarios de la actualidad desde el último congreso del PSOE hasta el inquietante dominio que amenaza con la ruina de los principales países del sur de Europa

L'Espagne d'aujourd'hui - 2e éd Stéphane Pelletier, 2014-08-20 Depuis la mort de Franco en 1975 quatre décennies se sont écoulées au cours desquelles l'Espagne a connu de profondes mutations politiques sociales économiques et culturelles De tels bouleversements ont fait de notre voisin transpyréen un partenaire incontournable au sein de l'Union européenne De nos jours l'Espagne est une démocratie stable à l'instar de ses partenaires européens Afin de mieux saisir la trajectoire historique de l'Espagne démocratique cette édition mise à jour intègre les aspects politiques sociaux économiques et institutionnels dans une approche globale de la réalité espagnole

La Ilustración española y americana Abelardo de Carlos, 1919 *Gran Larousse universal: Aalto-Zurich*, 1996*
