Moedwil En Misverstand:

Moedwil en misverstand Willem Frederik Hermans, 1992 Moedwil en misverstand Willem Frederik Hermans, 2012-02-01 Willem Frederik Hermans eerste novellenbundel bevat verhalen die thematisch erg veel verwantschap hebben maar die wat betreft hun uiterlijke vorm sterk uiteenlopen Droom en werkelijkheid wisselen elkaar in deze bundel af en dat in meer dan n opzicht Niet alleen staan realistische verhalen naast droomverhalen ze zijn bovendien elkaars complement Moedwil en misverstand bevat al zeer veel van wat op grond van later werk als de thematiek van deze auteur zou worden aangemerkt De verschillende verhalen uit de bundel zijn dan ook te beschouwen als de segmenten van het grondverhaal de persoonlijke mythologie dat Hermans met het publiceren van deze bundel heeft aangesneden en waaraan hij een oeuvre lang zal blijven schrijven **Dutch and Flemish Literature as World Literature** Theo D'haen, 2019-07-25 The recent return of world literature to the centre of literary studies has entailed an increased attention to non European literatures but in turn has also further marginalized Europe s smaller literatures Dutch and Flemish Literature as World Literature shows how Dutch language literature from its very beginnings in the Middle Ages to the present has not only always taken its cue from the major literary traditions of Europe and beyond but has also actively contributed to and influenced these traditions The contributors to this book focus on key works and authors providing a concise yet highly readable history of Dutch language literature and demonstrating how this literature is anchored in world literature *Illegal Residence and Public Safety in the Netherlands* Arjen Leerkes, 2025-10-01 Making illegal residence unattractive is a way for Western governments to limit migration from non Western countries Focusing on Dutch neighbourhoods with substantial levels of unauthorised migrants *Illegal Residence and Public Safety in the Netherlands* examines how restrictive immigration policy influences immigrant crime and perceived neighborhood security Salient questions arise To what extent and under which conditions do illegal residence and illegal migration impact public safety Does having illegal residence status influence how people observe or break the law and other social rules Do their ties with established groups such as legal migrants employers and partners have any sway Answers to these issues begin surfacing in this rich combination of quantitative information comprising police figures and surveys on victimisation and qualitative sources including interviews at the Dutch Aliens Custody and urban field research **Destiny Domesticated** Jos de Mul, 2014-01-30 *Destiny Domesticated* investigates three ways Western civilization has tried to tame fate the heroic affirmation of fate in the tragic culture of the Greeks the humble acceptance of divine providence in Christianity and the abolition of fate in modern technological society Against this background Jos de Mul argues that the uncontrollability of technology introduces its own tragic dimension to our culture Considering a range of literary texts and contemporary events and drawing on twenty five centuries of tragedy interpretation from philosophers such as Aristotle Hegel Nietzsche and Heidegger literary critics George Steiner and Terry Eagleton and others de Mul articulates a contemporary perspective on the tragic shedding new light on philosophical topics
