The book is based on the best posts and wisdom shared on the Mothers in Medicine blog which was established in 2008 by the editor and has published over 1500 posts and has over 4.8 million page views to date. The book is organized by themes that are unique to the physician mother: career decisions, having children during training, navigating life challenges, practice issues and work-life balance. Each chapter features an excerpt from the blog followed by an honest discussion of the key considerations, guidelines and tips as related to each topic in the conversational, personal tone of the blog.
