

# CLAUDE MONET

The background of the entire page is a reproduction of a painting by Claude Monet. It depicts a dense forest scene with tall, slender trees, possibly birches, their trunks and foliage rendered in soft, dappled light. A path or stream winds through the center of the forest, reflecting the light from the sky and the surrounding greenery. The overall style is characteristic of Impressionism, with visible brushstrokes and a focus on the play of light and color.
