Money Matters In My Kingdom:

Money Matters in My Kingdom Pastor Powell, 2013-01-06 Money Matters In My Kingdom has been compiled from years of preaching notes and Bible studies that I have written. As a result, occasionally the reader will find some repetition of material. I felt it would conflict with the integrity of the individual chapters if I were to remove the repetitious material from the text. Therefore, I have retained it in the hope that the repetition will serve to emphasize the key points in the teaching. This book is not a get rich quick book. Rather, it aims to set out the principles through which God prospers His people. Please remember if you want to get rich quick, you may find that you will ultimately shipwreck your faith. In order to further the Kingdom of God, His children must prosper. In this way, money will be made available for multitudes of ministries, whether it is a television or radio ministry, an overseas evangelism crusade, a hospital, a Christian school, a Bible college, or any other type of outreach. Money will be available to advance the Kingdom of God when His children prosper financially by seeking first His Kingdom in their lives. The majority of us spend many hours a week in an effort to earn money, so let us be wise by taking heed to the true wisdom of how to prosper through believing the Scriptures that God has set forth in His Word.

Money Matters: in My Kingdom - Study Guide Martin D. Powell, 2013-03-20 Do you want to receive financial miracles? Through Martin Powell's dynamic writing, you will learn how to prosper in the way God's way obtains riches that do not fade, have sufficiency for every good work, and get out of debt. In this groundbreaking work for our time, Pastor Powell brings fresh Scriptural revelation to explain God's heart for the wellbeing of your soul, health, and finances while explaining the true reason for receiving these blessings. Read about the author's answered prayers using the gift of faith. A Stradivarius violin made in his best year, the BEST one. Three-story building in London received a frozen chicken, defrosted. Broken metal mended. Fish multiplied. Money Matters Martin Powell, 2011-07-06 **Money Matters (to God)** J. Bradley Van Vleet Jr., 2021-03-16 I know what you're thinking. Another book on money. And you're right, this is another book on money, but it's probably not quite from the angle that you're thinking. Money Matters to God is a book about seeing finances through the eyes of God instead of the eyes of society. Through this book, we will walk through the Scripture to see what the Bible actually has to say about money and how we should use it. You may be surprised to see what's there. Money is an important topic to God. You can clearly see that through the Old and New Testaments, Jesus talked more about money than He did about heaven or hell. Money is important to God simply because it's important to us. Sometimes too important. My prayer is that through this book, you will be able to shed the burden of financial stress through priority and perspective. **From the Margins of History** Hasmukh Shah, 2023-06-14 Accounts of men who have had led significant lives can often be well meaning but little more than a litany of personal achievements strung together in chronology.
