The Monkey Tribe Michael J. Vaughn, 2015-12-05 When the man who cost him his job offers Jack Teagarden a beachside house sitting assignment he latches on to it like a man overboard For a child of Silicon Valley the counterculture freakiness of Santa Cruz is hard to deal with until Jack's life coach takes him to an all night drumming party Under the spell of a thunderous stream of percussion a pigeon raising witch named Audrey LaBrea and a tragically unmarked plate of brownies Jack wakes up with grass stains all over his body and rumors that he initiated a naked light saber battle So what's harder fighting the freaks Or realizing that you are one From the award winning author of The Popcorn Girl and Nature Boy
