Modern Education Finance And Policy Peabody College Education Leadership Series:

Modern Education Finance and Policy James W. Guthrie,2007 This first text in Allyn Bacon s new Educational Leadership series from Peabody College clarifies the complex financial issues facing educational administrators and presents them in a clear and engaging manner This text was developed by the leading scholars in school finance as part of a series from one of the leading Schools of Education in the world It is Modern not only in the sense that the information it presents is current but in the manner in which it engages the reader to understand and apply that information With its strong basis in current research and easy to use intuitive features this book strikes an effective balance between the informational and the pedagogical It covers trends both historical and current in educational finance and includes calculations and problems for students to work and its Modern approach pays close attention to the new realities of accountability resource allocation and policy The case studies and interactive pedagogy make this a very practical text *Modern School Business Administration* James W. Guthrie,2008 This text in ABL s new Educational Leadership series from Peabody College covers historical and current trends in leadership in a very practical way using cases and a problem solving approach as vehicles for examination The text was developed by a leading scholar in educational leadership as part of a series from one of the leading schools of education in the world It has a strong basis in current research and easy to use intuitive features It strikes an effective balance between the informational and the pedagogical It covers trends both historical and current in educational leadership The Modern approach of this book explores professional challenges performance expectations and operating conditions encountered by contemporary American school leaders The case studies and interactive pedagogy make this a very practical text **Community College Faculty Scholarship** John M. Braxton,2015-08-28 While teaching occupies the primary role of faculty members in community colleges the question remains To what extent are community college faculty members engaged in research and scholarship This issue focuses on the types of research and scholarship performed by community college faculty the forces that foster or impede the engagement of community college faculty members in research and scholarship specific examples of community college faculty scholarship that demonstrate the value of this work to the institution and to larger society and policies and practices at the institutional local and state level that support engagement in research and scholarship This is the 171st volume of this Jossey Bass quarterly report series Essential to the professional libraries of presidents vice presidents deans and other leaders in today s open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission Resources in Education ,1996-06 **K-12 Education Finance** Anthony Rolle,2024-02-02 Education finance researchers tend to organize their thoughts on important issues by considering one of the four foundational perspectives equity efficiency liberty and adequacy The six essays presented in this special edition of the Peabody Journal of Education base their work within the context of the four pillars and present new directions for future research While some of the

articles isolate a concept for closer scrutiny others draw attention to more interactive aspects of the pillars in question Each article leaves the reader with important information and insightful questions about both the usuage and efficacy of education finance policies *Books in Series* ,1985 Vols for 1980 issued in three parts Series Authors and Titles **Essentials of Education Policy** William Ewell,2024-12-05 Essentials of Education Policy improves students and educational leaders understanding of the complex education policy system in the U S Through an applied pedagogical approach that connects analytical concepts from public policy and education research to professional practice the book offers academic content and applications for elementary secondary and postsecondary education leaders Grounded in pillars of policy studies educational foundations governance structures and policy subsystems the policy process and specific policy issues the book provides educational leaders with the knowledge and skills necessary to solve fundamental inequities in American education and empowers them to become change agents This engaging textbook will be essential reading for students and scholars in Education Policy Leadership and Educational Foundations as well as for educational leaders **The Social Construction of Educational Leadership** Anna Hicks McFadden,Penny Smith,2004 Most historical and theoretical work on school administration choice has focused on the importance of race and class with increased attention to gender during the past two decades Rarely has geography been a consideration and when it appears at all it is used only to distinguish the unique conditions of urban school settings The Social Construction of Educational Leadership Southern Appalachian Ceilings addresses decisions about who is chosen to lead public schools and how they do it Using their research on senior level public school leaders in the southern mountains of North Carolina as a representative case study the authors construct an argument for a reconsideration of the role of place both in decisions about who becomes a school leader and in how those leaders behave professionally The authors describe the changes in a leadership system grounded in race class geographic and gender preferences that dating back to colonial systems of deference describing the pattern of those changes and exploring their implications for school leadership and the preparation of prospective leaders in the region and elsewhere
