Modern Poems on the Bible David Curzon, 1994 This is a fascinating collection of diverse voices some sacred some quite profane This will spawn a desire to return to the texts that have aroused such vivid and electric responses **Modern Poems on the Bible** David Curzon, 1997-10-01 *The Hebrew Bible in Contemporary Fiction and Poetry* Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message *The Hebrew Bible in Contemporary Fiction and Poetry* is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature **Jonah Through the Centuries** Lena-Sofia Tiemeyer, 2021-08-27 A meticulous exploration of the reception history of Jonah in all its facets *Jonah through the Centuries* is a systematic examination of the reception history of the book of Jonah long recognized for its numerous theological implications and diverse interpretations The first book of its kind written in English this singular volume provides a lucid and coherent commentary on the most influential re readings of Jonah in Jewish Christian Muslim and secular traditions Author Lena Sofia Tiemeyer progresses slowly through the book of Jonah verse by verse even word by word through key verses such as Jonah 1 1 and 2 1 to offer readers deep insight into the many and multifaceted interpretations of Jonah from early Jewish readings to modern literary retellings Structured thematically rather than strictly chronologically the text begins with the earliest interpretation and follows its trendline all the way through to modern times before turning to the next oldest interpretation The commentary covers a broad range of retellings in many languages and in various media including commentaries sermons prose poetry theatrical drama art and music Throughout the text the author demonstrates how all these retellings ultimately originate within the biblical text itself and highlights how many of the interpretations are fueled and influenced by the interpreter s religious background cultural assumptions and their preconceived notions of what the text should say Discusses how retellings of Jonah ultimately originate within the text s

theological or literary ambiguities choice of words or syntactical construction Explains how cross cultural interchanges between Jews Christians and Muslims at different points throughout the centuries influenced the reception of Jonah Highlights how several retellings form clusters according to the interpreters religious affiliations Covers various interpretations of both often cited and lesser known verses from the book of Jonah Interacts with an international range of literary retellings of the book of Jonah offered in English translation Jonah through the Centuries is an invaluable resource for educated clergy undergraduate and graduate students in both seminaries and universities scholars and academics and general readers with interest in the reception of biblical texts in literature art and music

Poetry and Revelation Kevin Hart, 2017-04-20 Religious poetry has often been regarded as minor poetry and dismissed in large part because poetry is taken to require direct experience whereas religious poetry is taken to be based on faith that is on second or third hand experience The best methods of thinking about experience are given to us by phenomenology Poetry and Revelation is the first study of religious poetry through a phenomenological lens one that works with the distinction between manifestation in which everything is made manifest and revelation in which the mystery is re veiled as well as revealed Providing a phenomenological investigation of a wide range of religious poems some medieval some modern some written in English others written in European languages some from America some from Britain and some from Australia Kevin Hart provides a unique new way of thinking about religious poetry and the nature of revelation itself
