License to Kill: Gaza: Genocide, Holocaust Denial and Hasbara Pascal Boniface, 2025-04-25 The silence on the genocidal situation in Gaza is disturbing How can we explain the double standard when we compare the legitimate indignation provoked by the Russian bombardment of Ukraine with the omertasurrounding the bombardment of the Palestinian civilian population under blockade The drama revolves around a combination of feelings of guilt cultural solidarity fear of Islam and even hostility to this religion which is presented as a societal and security threat along with colonial memories that have not been properly dealt with and adherence to the concept of a clash of civilizations In the media and among the political class such a mixture gives rise to almost universal support for the actions of the Israeli government License to Kill analyzes the motives and consequences of the denial of the dangers of genocide Those who denounce it are labeled as anti Semites or accomplices of terrorism However the reality is that we are facing a moral bankruptcy and we will not be able to say that we did not know

Permis de tuer : Gaza : Génocide, négationnisme et hasbara Pascal Boniface, 2025-04-25 Le silence sur la situation génocidaire Gaza interpelle Comment expliquer le double poids de deux mesures lorsque l'on compare les indignations légitimes provoquées par les bombardements russes sur l'Ukraine et l'omerta sur ceux qui visent la population palestinienne civile soumise à un blocus Le drame se noue autour d'un cocktail de sentiments de culpabilité de solidarité culturelle de peur de l'islam voire d'hostilité contre cette religion perçue comme un danger social et sécuritaire de mémoires coloniales mal digérées et d'adhésion au concept de choc des civilisations Dans les médias et la classe politique un tel mélange suscite un soutien quasi général à l'action du gouvernement israélien Permis de tuer analyse les motifs et les conséquences de la négation du risque génocidaire Ceux qui le dénoncent sont qualifiés d'antisémites ou de complices du terrorisme Pourtant la réalité est que nous sommes face à une faillite morale et nous ne pourrions pas dire que nous ne savions pas
