The Miser Molière, Jean-Baptiste Poquelin Moliere, 2015-02-07 Jean Baptiste Poquelin known by his stage name Moliere a French playwright and actor is considered to be one of the greatest masters of comedy in Western literature The Miser was first produced when Moliere's company was under the protection of Louis XIV himself It was loosely based on the Latin comedy *Aulularia* by Plautus from which many incidents and scraps of dialogue are borrowed as well as from contemporary Italian farces The miser of the title is called Harpagon a name adapted from the Latin *harpago* meaning a hook or grappling iron He is obsessed with the wealth he has amassed and always ready to save expenses Now a widower he has a son Clante and a daughter lise Although he is over seventy he is attempting to arrange a marriage between himself and an attractive young woman Mariane She and Clante are already devoted to each other however and the son attempts to procure a loan to help her and her sick mother who are impoverished lise Harpagon's daughter is the beloved of Valre but her father hopes to marry her to a wealthy man of his choosing Seigneur Anselme Meanwhile Valre has taken a job as steward in Harpagon's household so as to be close to lise The complications are only resolved at the end by the rather conventional discovery that some of the principal characters are long lost relatives Satire and farce blend in the fast moving plot as when the miser's hoard is stolen Asked by the police magistrate whom he suspects Harpagon replies Everybody I wish you to take into custody the whole town and suburbs and indicates the theatre audience while doing so The play also makes fun of certain theatrical conventions such as the spoken aside addressed to the audience hitherto ignored by the characters onstage The characters of The Miser however generally demand to know who exactly is being spoken to
